GENERAL POST OFFICE NOTICE.

UNDER the orders of Government, the subjoined Notice
 to the Public of England, is promulgated for the
 information of the Public of India; and as the inconveni-
 ences described in that Notice, arising out of the use of
 sealing wax, for closing letters, are equally experienced in
 India, it is strongly recommended that the use of wafers be
 universally adopted as suggested by the English Post
 Office Authorities.

H. S. OLDFIELD,

Offg. Post Master General.

Fort William, General Post Office, }
 the 2d November, 1840.

No. 9, 1840.

NOTICE TO THE PUBLIC AND INSTRUCTIONS TO ALL POST
 MASTERS AND LETTER RECEIVERS.

General Post Office, August 1840.

The practice of sealing letters passing to and from the
 East and West Indies, and other warm climates, with wax,
 is attended with much inconvenience, and frequently with
 serious injury to the letters, in consequence of the melting
 of the wax and adhesion of the letters to each other.

In the case of a Mail recently received from India, con-
 siderable delay was occasioned at this Office, and notwith-
 standing the greatest care was taken in separating the
 letters, which, owing to the cause already mentioned, ad-
 hered closely together, many were much damaged and torn:
 Public are therefore recommended in all possible cases
 to use wafers in preference to wax in sealing their letters
 to India or other warm climates, and also to advise
 their correspondents in those countries to pursue the same
 course.

Post Masters are also enjoined to give every publicity to
 caution.

By Command,

 the Overland Mails, and except those specially marked
 "via Falmouth," will be sent through France, and thus

No. 1. Certificate of the Opium now advertised for Sale.

No. 2. Report of the examination of such Opium.

15. The Public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1839-40, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale to enable them to judge of the state of preservation in which the Drug has kept.

17. The Public are hereby informed that in addition to the quantity abovementioned the following quantities more or less of Behar and Benares Opium will be brought to sale this year on or about the dates specified below.

	Behar.	Benares.	Total Chests.

On or about April 24th, about	3,000	1,500	about 4,500
On or about May 24th, about	1,400	700	about 2,100

18. It is hereby farther notified that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of his Majesty the King of the French, or Persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale—at the five Sales in the months of January, February, April, May and June, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 12,700 Chests of Behar and Benares Opium as above estimated, will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

ARTICLE.

Article of the Convention. "6. With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of the Opium there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the Person duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned—the regulations for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By Order of the Board of Customs, Salt and Opium.

CHANCING CROSS.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and generally enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, AINSLIE, COWIE & Co., Calcutta.
Messrs. BINNY & Co. Madras.
Messrs. LECKIE & Co. Bombay.

NOTIFICATION.

FORT WILLIAM,
SECRET DEPARTMENT,
THE 25TH NOVEMBER, 1840.

The Right Hon'ble the Governor General of India in Council is pleased to order the publication, for general information, of the following Extract from a Despatch this day received by Express from the Envoy and Minister at the Court of His Majesty Shah Soojah-ool-Moolk, announcing the unconditional surrender of the Ex-Chief of Cabool, Dost Mahomed Khan, to Sir W. Macnaghten on the 3d instant.

The Official Report of the action at Purwur, alluded to by the Envoy and Minister, has not yet reached the Government.

By order of the Right Honorable the Governor General of India in Council,

T. H. MADDOCK,
Secy. to the Govt. of India.

*Extract from a letter from Sir W. H. Macnaghten,
Bart., dated 4th November, 1840.*

I have the honor to acquaint you for the information of the Right Hon'ble the Governor General in Council, that Dost Mahomed Khan, the Ex-Chief of Cabool, surrendered himself to me yesterday evening.

I was returning from my evening ride, and within a few yards of my own residence in the Citadel, when a single Horseman galloped up to me, and having satisfied himself that I was the Envoy and Minister, told me that Dost Mahomed Khan was arrived and sought my protection.

Dost Mahomed Khan rode up to me and alighted from his horse. After the usual salutations, I begged him to mount again, and we proceeded together to my residence, in the compound of which I have pitched a Tent for the Ex-Chief, and have provided him with every thing necessary to his comfort. He assured me that he had not been off his horse for twenty-four hours, yet, he shewed but little symptom of fatigue, and his self-possession was very remarkable. He put his sword into my hand as a token of submission, but I at once returned it to him, and he seemed gratified for this mark of confidence. He asked me about his family, and, at his own suggestion and in my presence, he wrote letters to his son Mahomed Afzul and to his two other sons, whose escape from Ghuznee was recently reported, desiring them to come in immediately, as he himself had confided in my protection and been honorably received.

On the day before yesterday the detachment under the command of Major General Sir Robert Sale, K. C. B., fell in with Dost Mahomed Khan's Army at Purwur and dispersed it, the particulars of which occurrence will be reported to His Lordship in Council by Major General Sir W. Cotton, G. C. B. and K. C. H. Dost Mahomed Khan must have come into Cabool direct from the field of battle without the knowledge of any of his adherents.

I have to lament the loss of my Assistant Mr. P. B. Lord, who was unfortunately killed in this affair. His Lordship in Council is too well acquainted with the zeal and abilities of the deceased Officer to require any eulogium from me.

R. WALKER, Collr. of Customs.

27th November, 1840.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale, unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

Packages for the reception of Letters by the following Ships are open at this Office.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 6d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles they are charged at each.

W. MOORE,

Deputy Post Master.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. 10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

GENERAL POST OFFICE NOTICE.

UNDER the orders of Government, the subjoined Notice to the Public of England, is promulgated for the information of the Public of India; and as the inconveniences described in that Notice, as arising out of the use of sealing wax, for closing letters, are equally experienced in India it is strongly recommended that the use of wafers be universally adopted as suggested by the English Post Office Authorities.

NOTICE TO THE PUBLIC AND INSTRUCTIONS TO ALL POST MASTERS AND LETTER RECEIVERS.

General Post Office, August 1840.

The practice of sealing letters passing to and from the East and West Indies, and other warm climates, with wax, is attended with much inconvenience, and frequently with serious injury to the letters, in consequence of the melting of the wax and adhesion of the letters to each other.

In the case of a Mail recently received from India considerable delay was occasioned at this Office, and notwithstanding the greatest care was taken in separating the letters, which, owing to the cause already mentioned, adhered closely together, many were much damaged and torn: the Public are therefore recommended in all possible cases to use wafers in preference to wax in sealing their letters sent to India or other warm climates, and also to advise their correspondents in those countries to pursue the same course.

Post Masters are also enjoined to give every publicity to this caution.

Article of the Convention. 6. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the Persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned—the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

WEDNESDAY, DECEMBER 2, 1840.

PORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of proposed Act dated the 3d June 1839, and published in the Calcutta Gazette of the 8th of the same month, for the protection of moveable and immoveable property against wrongful possession in cases of successions.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject, be republished for general information:

Act No. — of 1840.

Act for the protection of moveable and immoveable property against wrongful possession in cases of successions.

I. Whereas much inconvenience has been experienced, when persons have died possessed of moveable and immoveable property, and the same has been taken upon pretended claims of right by gift or succession; the difficulty of ascertaining the precise nature of the moveable property in such cases, the opportunities for misappropriating such property and also the profits of real property, the delays of a regular suit when vexatiously protracted, and the inability of heirs when out of possession to prosecute their rights, affording strong temptations for the employment of force or fraud in order to obtain possession. And whereas, from the above causes, the circumstance of actual possession, when taken upon a succession, does not afford an indication of rightful title equal to that of a decision by a Judge after hearing all parties in a summary suit, though such summary suit may not be sufficient to prevent a party removed from possession thereby from instituting a regular suit,—and whereas such summary suit, though it will take away many of the temptations which exist for assuming wrongful possession upon a succession will be too tardy a remedy for obviating them all, especially as regards moveable property. And whereas it may be expedient prior to the determination of the summary suit to appoint a Curator to take charge of property upon a succession, where there is reason to apprehend danger of misappropriation, waste or neglect, and where such appointment will, in the opinion of the authority making the same, be beneficial under all the circumstances of the case. And whereas it will be very inconvenient to interfere with successions to estates by the appointment of Curators, or by summary suits unless satisfactory grounds for such proceedings shall appear, and unless such proceedings shall be required by or on the behalf of parties giving satisfactory proof that they are likely to be materially prejudiced if left to the ordinary remedy of a regular suit.

It is hereby enacted, that whenever a person dies leaving property, moveable or immoveable, it shall be lawful for any person claiming a right by succession

thereto, or to any portion thereof, and being out of possession, to make application to the Judge of the Court of the District where any part of the property is found or situate for relief, either after actual possession has been taken by another person, or when opposition is apprehended.

II. And it is hereby enacted, that it shall be lawful for any agent, relative, or near friend, or for the Court of Wards in cases within their cognizance in the event of any minor disqualified or absent person being entitled by succession to such property as aforesaid, and being out of possession to make the like application for relief.

III. And it is hereby enacted, that the Judge to whom such application shall be made shall, in the first place enquire by the solemn declaration of the complainant, and by witnesses and documents at his discretion, whether there be strong reasons for believing that the party in possession is holding possession unlawfully, and that the applicant, or the person on whose behalf he applies is really entitled, and that the application is made bona fide.

IV. And it is hereby enacted, that in case the Judge shall be satisfied of the existence of such strong grounds of belief but not otherwise, he shall cite the party in possession and give notice of vacant or disturbed possession by publication, and after the expiration of a reasonable time shall determine summarily the right to possession (subject to regular suit as hereinafter mentioned) and shall deliver possession accordingly—provided always that the Judge shall have the power to appoint an officer who shall take an inventory of effects, and seal or otherwise secure the same upon being applied to for the purpose without delay, whether he shall have concluded the enquiry necessary for citing the party in possession or not.

V. And it is hereby enacted, that in case it shall further appear, upon such application and examination as aforesaid, that danger is to be apprehended of the misappropriation or waste of the property before the summary suit can be determined, and that it is likely to be attended with manifest benefit to the party out of possession, provided he be the lawful owner by succession, and that the delay in obtaining security from the party in possession, or the insufficiency thereof is likely to expose the party out of possession to considerable risk, provided he be the lawful owner; it shall be lawful for the Judge to appoint one or more Curators with the powers hereinafter next mentioned, whose authority shall continue according to the terms of his or their respective appointments, and in no case beyond the determination of the summary suit and the confirmation or delivery of possession in consequence thereof. Provided always that, in the case of land, the Judge may delegate to the Collector or to his officer the powers of a Curator, and also that every appointment of a Curator in respect of any property be duly published.

VI. And it is hereby enacted, that the Judge shall have power to authorize such Curator, either to take possession of the property generally, or until security be given by the party in possession, or until inventories of the property shall have been made, or for any

other purpose necessary for securing the property from misappropriation or waste by the party in possession. Provided always, that it shall be entirely discretionary with the Judge, whether he shall allow the party in possession to continue in such possession on giving security, or not, and any continuance in possession shall be subject to such orders as the Judge may issue touching inventories, or the securing of deeds or other effects.

VII. And it is hereby enacted, that the Judge shall exact from the Curator security for the faithful discharge of his trust, and for rendering satisfactory accounts of the same as hereinafter mentioned, and may authorize him to receive out of the property such remuneration as shall appear reasonable, but in no case exceeding 5 per centum on the personal property and on the annual profits of the real property, all surplus monies realized by the Curator shall be paid into Court, and invested in public Securities for the benefit of the persons entitled thereto upon adjudication of the summary suit. Provided always, that although security shall be required from the Curator with all reasonable despatch, and, where it is practicable, shall be taken generally to answer all cases for which the person may be afterwards appointed Curator, yet no delay in the taking of security shall prevent the Judge from immediately investing the Curator with the powers of his office.

VIII. And it is hereby enacted, that in all matters regarding the propriety of citing the party in possession, of appointing a Curator, and of nominating individuals to that appointment, the Judge shall demand a report from the Collector, and the Collector is hereby required to furnish the same. In cases of urgency the Judge may proceed, in the first instance, without such report and he shall not be obliged to act in conformity thereto, but, in case of his acting otherwise than according to such report, he shall immediately forward a statement of his reasons to the Court of Sudder Dewany Adawlut, and the Court of Sudder Dewany Adawlut if they shall be dissatisfied with such reasons shall direct the Judge to proceed conformably to the report of the Collector.

IX. And it is hereby enacted, that the Curator shall be subject to all orders of the Judge regarding the institution or the defence of suits, and that all suits may be instituted or defended in the name of the Curator on behalf of the estate, provided that suits concerning the estate which would be triable before the Judge appointing the Curator shall be triable in the Zillah or City Court nearest to that of such Judge.

X. And it is hereby enacted, that pending the custody of the property by the Curator, it shall be lawful for the Judge to make such allowances as upon a summary investigation of the rights and circumstances of the parties interested, he shall consider that necessity may require, taking, at his discretion, security for the repayment thereof with interest, in case the party shall, upon the adjudication of the summary suit, appear not to be entitled thereto.

XI. And it is hereby enacted, that the Curator shall file monthly accounts in abstract, and at the period of every three months, if his administration last so long, and upon giving up the possession of the property file a detailed account of his administration to the satisfaction of the Judge.

XII. And it is hereby enacted, that after the Judge of any district shall have appointed any Curator, such appointment shall preclude the Judge of any other district within the same Presidency from appointing any other Curator, provided the first appointment be in respect of the whole of the property of the deceased. But if the appointment be only in respect of a portion of the property of the deceased, this shall not preclude the appointment within the same Presidency of another Curator in respect of the residue or any portion thereof; provided always that no Judge shall appoint a Curator or entertain a summary suit in respect of property which is the subject of a summary suit previously instituted under this Act before another Judge—and provided further, that ■ two or more Curators ■ appointed by different Judges for several parts ■ an estate, it shall be lawful for the Sudder Dewany Adawlut to make such order as it shall think fit for the appointment of one Curator of the whole property.

XIII. And it is hereby provided, that this Act shall not be put in force, unless the aforesaid application to the Judge be made within six months of the decease of the proprietor, whose property is claimed by right in succession.

XIV. And it is hereby enacted, that this Act shall not be put in force to contravene any act of settlement, or in cases in which the deceased proprietor shall

have given legal directions for the possession of his property after his decease in the event of minority or otherwise in opposition to such directions, but in every such case so soon as the Judge having jurisdiction over the property of a deceased person, shall be satisfied of the existence of such directions he shall give effect thereto, appointing the person indicated thereby to be Curator under this Act if so desired.

XV. And it is hereby provided, that this Act shall not be put in force, for the purpose of disturbing the possession of the Court of Wards of any Presidency; and in case a minor, or other disqualified person whose property shall be subject to the Court of Wards, shall be the party on whose behalf application is made under this Act, the Judge if he determines to cite the party in possession and also to appoint a Curator, shall invest the Court of Wards with the Curatorship of the estate pending the suit without taking such security as aforesaid, and in case the minor or other disqualified person shall, upon the adjudication of the summary suit appear to be entitled to the property, possession shall be delivered to the Court of Wards.

XVI. And it is hereby provided, that nothing in this Act contained shall be any impediment to the bringing of a regular suit either by the party whose application may have been rejected, before or after citing the party in possession, or by the party who may have been evicted from the possession under this Act.

XVII. And it is hereby enacted, that the decision of the Judge upon the summary suit under this Act shall have no other effect than, that of settling the actual possession; but that for this purpose it shall be final, not subject to any appeal or order for review.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 1st day of March next.

FORT WILLIAM, LEGISLATIVE DEPARTMENT.

THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of a proposed Act dated the 3d June 1839, and published in the Calcutta Gazette of the 6th of the same month, for facilitating the collection of debts on successions, and for the security of parties in paying debts to the representatives of deceased persons.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject, be re-published for general information:

ACT No. — OF 1840.

Act for facilitating the collection of debts on successions, and for the security of parties paying debts to the representatives of deceased persons.

I. Whereas the use of Probates and Letters of Administration in regard to the property of deceased British subjects and other persons subject to the Supreme Courts, in their Ecclesiastical Jurisdiction, has been found very expedient, as well for enforcing the rights of persons entitled to such property by succession, as also for the security of all persons having transactions with them. And whereas the occasional use of Probates and Letters of Administration in respect of the property of deceased Natives of India, though voluntarily adopted by their representatives for the sake of the advantages arising therefrom, has been attended with much expence and inconvenience, besides creating much legal doubt as to the effect of the authority conferred. And whereas it is expedient to give an express legislative sanction to Probates and Letters granted by the Supreme Courts in respect of the property of deceased Natives, and to authorize Instruments having the like effect with Probates and Letters of Administration being granted by the Mufussil Courts but, in either case, for the purpose of recovering debts only, and the security of debtors paying the same:—

No debt recoverable without a certificate.

It is hereby enacted, that no debtor of any deceased person shall be compelled in any Court of Law to pay his debt to any person claiming to be entitled to the effects of any deceased person or any part thereof, except on the production of a certificate to be obtained in manner hereinafter mentioned, unless the Court shall be of opinion that payment of the debt is withheld from fraudulent or vexatious motives, and not from any reasonable doubt as to the party entitled.

Manner of obtaining certificate.

II. And it is hereby enacted, that the Zillah or District Court within the jurisdiction of which any part of the property of the deceased may be found shall have authority to grant a certificate under this Act. The applicant in his petition shall set forth his title. The Judge shall issue notice of application, inviting claimants, and fixing a day for hearing the petition, and in these matters shall proceed as laid down in the Rules in Sections and of Act No. of 1841. (Vide Draft Act respecting curators.)

Effect of certificate.

III. And it is hereby enacted, that the certificate of the District or Zillah Judge shall be conclusive of the representative title against all debtors to the deceased, and shall afford full indemnity to all debtors paying their debts to the person in whose favor the certificate has been granted.

Security taken from grantee of certificate.

IV. And it is hereby enacted, that the District or Zillah Judge may take such security as he shall think necessary from any person to whom he shall grant a certificate for rendering an account of debts received by him, and for indemnity of persons who may be entitled to the whole or any part of the monies received by virtue of such certificate, whose right to recover the same by regular suit against the holder of the certificate is not affected by this Act.

Decision of Judge how far final.

V. And it is hereby enacted, that the granting of such certificate may be suspended by an appeal to the Court of Sudder Dewanny Adawlut, which Court may declare the party to whom the certificate should be granted, or may direct such proceedings for the investigation of the title as it shall think fit. The Court may also upon petition, after a certificate shall have been granted by the District or Zillah Judge, grant a fresh certificate in supersession of the certificate granted by the District or Zillah Judge, and such fresh certificate shall not affect any payments made to the person to whom any former certificate may have been granted without notice that the same has been superseded.

Local extent of power given by certificate.

VI. And it is hereby enacted, that every certificate shall give authority to the person to whom the same is granted throughout the Presidency within which the same is granted, and no certificate subsequently granted in respect of the same property shall be valid or effectual, except as hereinafter mentioned.

Government Notes and Dividends.

VII. And it is hereby enacted, that a person certified as aforesaid, may be empowered to receive interest on Government Notes and Dividends on Shares of any Bank or parts thereof, and to negotiate such Securities. He may be also empowered to receive a share of such interest or dividends or to negotiate a share of such Securities. These powers (which shall only arise by express words in the certificate) may be exercised in regard to Government Notes and Certificates of Shares of any Bank, existing within the local jurisdiction of the Supreme Court of that Presidency in which the Court by whom those powers are conferred.

Payments under certificate void by reason of previous certificate.

VIII. And it is hereby enacted, that where a certificate shall have been granted, in cases in which such certificate would be valid, but for the previous grant of a certificate,

all payments made to the person holding the later certificate in ignorance of the grant of the previous certificate shall be held good against claims under such previous certificate.

IX. And it is hereby enacted, with regard to the real and personal property of deceased persons whose personal property may by law pass to their personal representatives without any Probate or Letters of Administration obtained in any of Her Majesty's Courts of Justice, that no certificate in respect of any such real or personal property shall be valid, if made after a Probate or Letters of Administration granted in respect of the same, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court granting the Probate or Letters of Administration.

X. And it is hereby provided, that where a certificate shall have been granted in cases in which such certificate would be valid, but for a Probate or Letters of Administration previously granted, all payments made to the person holding the certificate in ignorance of the previous granting of the Probate or Letters of Administration, shall be held good against claims under the Probate or Letters of Administration so previously granted.

XI. And it is hereby enacted, that no Probate or Letters of Administration shall be valid for the purpose of the recovery of debts or the security of debtors, after a certificate granted in respect of the same property for which such Probate or Letters of Administration shall have been granted, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court making such appointment or granting such certificate.

XII. And it is hereby provided, that where Probate or Letters of Administration may have been granted, in cases in which such Probate or Letters of Administration would be valid, but for the previous grant of a certificate, all payments made in ignorance of the previous grant of the certificate shall be held good against claims under such previous certificate.

XIII. And it is hereby declared and enacted, that all Probates and Letters of Administration granted by any of Her Majesty's Courts in cases in which any assets belonging to deceased persons were, at the time of their deaths, within the jurisdiction of the Court granting the Probate or Letters of Administration, shall have the effect of Probate and Letters of Administration granted in respect of the property of persons whose personal property cannot by law pass to his personal representative without a Probate or Letters of Administration, but for the purpose of the recovery of debts only, and the security of debtors paying the same; except so far as is in this Act provided, and except that this Act shall not be construed to make the taking out of Probate or Letters of Administration necessary for succession to property in any case in which it is not now necessary.

XIV. And it is hereby provided that nothing in this Act contained shall be held to extend to the real or personal property of any person whose personal property cannot by law pass to the personal representative without a Probate or Letters obtained in one of Her Majesty's Courts of Justice.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 1st day of March next.

FORT WILLIAM, LEGISLATIVE DEPARTMENT, THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of proposed Act dated the 31st June 1839, and published in the Calcutta Gazette of the 8th of the same month, for the protection of moveable and immoveable property against wrongful possession in cases of successions.

Resolution.—The Right Hon'ble the Governor General in Council, upon the subject of the above amended Draft on the subject, ~~has recommended for general information:~~

Act No. — of 1840.

Act for the protection of moveable and immoveable property against wrongful possession in cases of successions.

I. Whereas much inconvenience has been experienced, where persons have died possessed of moveable and immoveable property, and the same has been taken upon pretended claims of right by gift or succession; the difficulty of ascertaining the precise nature of the moveable property in such cases, the opportunities for misappropriating such property and also the profits of real property, the delays of a regular suit when vexatiously protracted, and the inability of heirs when out of possession to prosecute their rights, affording strong temptations for the employment of force or fraud in order to obtain possession. And whereas, from the above causes, the circumstance of actual possession, when taken upon a succession, does not afford an indication of rightful title equal to that of a decision by a Judge after hearing all parties in a summary suit, though such summary suit may not be sufficient to prevent a party removed from possession thereby from instituting a regular suit,—and whereas such summary suit, though it will take away many of the temptations which exist for assuming wrongful possession upon a succession will be too tardy a remedy for obviating them all, especially as regards moveable property. And whereas it may be expedient prior to the determination of the summary suit to appoint a Curator to take charge of property upon a succession, where there is reason to apprehend danger of misappropriation, waste or neglect, and where such appointment will, in the opinion of the authority making the same, be beneficial under all the circumstances of the case. And whereas it will be very inconvenient to interfere with successions to estates by the appointment of Curators, or by summary suits, unless satisfactory grounds for such proceedings shall appear, and unless such proceedings shall be required by or on the behalf of parties giving satisfactory proof that they are likely to be materially prejudiced if left to the ordinary remedy of a regular suit:—

It is hereby enacted, that whenever a person dies leaving property, moveable or immoveable, it shall be

lawful for any person claiming a right by succession thereto, or to any portion thereof, and being out of possession, to make application to the Judge of the Court of the District where any part of the property is found or situate for relief, either after actual possession has been taken by another person, or when opposition is apprehended.

II. And it is hereby enacted, that it shall be lawful for any agent, relative, or near friend, or for the Court of Wards in cases within their cognizance in the event of any minor disqualified or absent person being entitled by succession to such property as aforesaid, and being out of possession to make the like application for relief.

III. And it is hereby enacted, that the Judge to whom such application shall be made shall, in the first place enquire by the solemn declaration of the complainant, and by witnesses and documents at his discretion, whether there be strong reasons for believing that the party in possession is holding possession unlawfully, and that the applicant, or the person on whose behalf he applies is really entitled, and that the application is made bona fide.

IV. And it is hereby enacted, that in case the Judge shall be satisfied of the existence of such strong grounds of belief but not otherwise, he shall cite the party in possession and give notice of vacant or disturbed possession by publication, and after the expiration of a reasonable time shall determine summarily the right to possession (subject to regular suit as hereinafter mentioned) and shall deliver possession accordingly—provided always that the Judge shall have the power to appoint an officer who shall take an inventory of effects, and seal or otherwise secure the same upon being applied to for the purpose without delay, whether he shall have concluded the enquiry necessary for citing the party in possession or not.

V. And it is hereby enacted, that in case it shall further appear, upon such application and examination as aforesaid, that danger is to be apprehended of the misappropriation or waste of the property before the summary suit can be determined, and that it is likely to be attended with manifest benefit to the party out of possession, provided he be the lawful owner by succession, and that the delay in obtaining security from the party in possession, or the insufficiency thereof is likely to expose the party out of possession to considerable risk, provided he be the lawful owner; it shall be lawful for the Judge to appoint one or more Curators with the powers hereinafter next mentioned, whose authority shall continue according to the terms of his or their respective appointments, and in no case beyond the determination of the summary suit and the confirmation or delivery of possession in consequence thereof. Provided always that, in the case of land, the Judge may delegate to the Collector or to his officer the powers of a Curator, and also that every appointment of a Curator in respect of any property be fully published.

VI. And it is hereby enacted, that the Judge shall have power to authorize such Curator, either to take possession of the property generally, or until security

be given by the party in possession, or until inventories of the property shall have been made, or for any other purpose necessary for securing the property from misappropriation or waste by the party in possession. Provided always, that it shall be entirely discretionary with the Judge, whether he shall allow the party in possession to continue in such possession, on giving security, or not, and any continuance in possession shall be subject to such orders as the Judge may issue touching inventories, or the securing of deeds or other effects.

VII. And it is hereby enacted, that the Judge shall exact from the Curator security for the faithful discharge of his trust, and for rendering satisfactory accounts of the same as hereinafter mentioned, and may authorize him to receive out of the property such remuneration as shall appear reasonable, but in no case exceeding 5 per centum on the personal property and on the annual profits of the real property, all surplus monies realized by the Curator shall be paid into Court, and invested in public Securities for the benefit of the persons entitled thereto upon adjudication of the summary suit. Provided always, that although security shall be required from the Curator with all reasonable despatch, and, where it is practicable, shall be taken generally to answer all cases for which the person may be afterwards appointed Curator, yet no delay in the taking of security shall prevent the Judge from immediately investing the Curator with the powers of his office.

VIII. And it is hereby enacted, that in all matters regarding the propriety of citing the party in possession, of appointing a Curator, and of nominating individuals to that appointment, the Judge shall demand a report from the Collector, and the Collector is hereby required to furnish the same. In cases of urgency the Judge may proceed, in the first instance, without such report and he shall not be obliged to act in conformity thereto, but, in case of his acting otherwise than according to such report, he shall immediately forward a statement of his reasons to the Court of Sudder Dewany Adawlut, and the Court of Sudder Dewany Adawlut if they shall be dissatisfied with such reasons shall direct the Judge to proceed conformably to the report of the Collector.

IX. And it is hereby enacted, that the Curator shall be subject to all orders of the Judge regarding the institution or the defence of suits, and that all suits may be instituted or defended in the name of the Curator on behalf of the estate, provided that suits concerning the estate which would be triable before the Judge appointing the Curator shall be triable in the Zillah or City Court nearest to that of such Judge.

X. And it is hereby enacted, that pending the custody of the property by the Curator, it shall be lawful for the Judge to make such allowances as upon a summary investigation of the rights and circumstances of the parties interested, he shall consider that necessity may require, taking, at his discretion, security for the repayment thereof with interest, in case the party shall, upon the adjudication of the summary suit, appear not to be entitled thereto.

XI. And it is hereby enacted, that the Curator shall file monthly accounts in abstract, and at the period of every three months, if his administration last so long, and upon giving up the possession of the property file a detailed account of his administration to the satisfaction of the Judge.

XII. And it is hereby enacted, that after the Judge of any district shall have appointed any Curator, such appointment shall preclude the Judge of any other district within the same Presidency from appointing any other Curator, provided the first appointment be in respect of the whole of the property of the deceased. But if the appointment be only in respect of a portion of the property of the deceased, this shall not preclude the appointment within the same Presidency of another Curator in respect of the residue or any portion thereof; provided always that no Judge shall appoint a Curator or entertain a summary suit in respect of property which is the subject of a summary suit previously instituted under this Act before another Judge—and provided further, that if two or more Curators be appointed by different Judges for several parts of an estate, it shall be lawful for the Sudder Dewany Adawlut to make such order as it shall think fit for the appointment of one Curator of the whole property.

XIII. And it is hereby provided, that this Act shall not be put in force, unless the aforesaid application to the Judge be made within six months of the decease of the proprietor, whose property is claimed by right in succession.

XIV. And it is hereby enacted, that this Act shall not be put in force to contravene any act of settlement, or in cases in which the deceased proprietor shall have given legal directions for the possession of his property after his decease in the event of minority or otherwise in opposition to such directions, but in every such case so soon as the Judge having jurisdiction over the property of a deceased person, shall be satisfied of the existence of such directions he shall give effect thereto, appointing the person indicated thereby to be Curator under this Act if so desired.

XV. And it is hereby provided, that this Act shall not be put in force, for the purpose of disturbing the possession of the Court of Wards of any Presidency; and in case a minor, or other disqualified person whose property shall be subject to the Court of Wards, shall be the party on whose behalf application is made under this Act, the Judge if he determines to cite the party in possession and also to appoint a Curator, shall invest the Court of Wards with the Curatorship of the estate pending the suit without taking such security as aforesaid, and in case the minor or other disqualified person shall, upon the adjudication of the summary suit appear to be entitled to the property, possession shall be delivered to the Court of Wards.

XVI. And it is hereby provided, that nothing in this Act contained shall be any impediment to the bringing of a regular suit either by the party whose application may have been rejected, before or after citing the party in possession, or by the party who may have been evicted from the possession under this Act.

XVII. And it is hereby enacted, that the decision of the Judge upon the summary suit under this Act shall have no other effect than, that of settling the actual possession; but that for this purpose it shall be final, not subject to any appeal or order for review.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 1st day of March next.

Secy. to Govt. of India,

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of a proposed Act dated the 2d June 1839, and published in the Calcutta Gazette of the 6th of the same month, for facilitating the collection of debts on successions, and for the security of parties in paying debts to the representatives of deceased persons.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject, be re-published for general information:

ACT No. — OF 1840.

Act for facilitating the collection of debts on successions, and for the security of parties paying debts to the representatives of deceased persons.

I. Whereas the use of Probates and Letters of Administration in regard to the property of deceased British subjects and other persons subject to the Supreme Courts, in their Ecclesiastical Jurisdiction, has been found very expedient, as well for enforcing the rights of persons entitled to such property by succession, as also for the security of all persons having transactions with them. And whereas the occasional use of Probates and Letters of Administration in respect of the property of deceased Natives of India, though voluntarily adopted by their representatives for the sake of the advantages arising therefrom, has been attended with much expense and inconvenience, besides creating much legal doubt as to the effect of the authority conferred. And whereas it is expedient to give an express legislative sanction to Probates and Letters granted by the Supreme Courts in respect of the property of deceased Natives, and to authorize Institutions having the like effect with Probates and Letters of Administration being granted by the Native Courts, and in other

case, for the purpose of recovering debts only, and the security of debtors paying the same;—

No debt recoverable without a certificate. It is hereby enacted, that no debtor of any deceased person shall be compelled in any Court of Law to pay his debt to any person claiming to be entitled to the effects of any deceased person or any part thereof, except on the production of a certificate to be obtained in manner hereinafter mentioned, unless the Court shall be of opinion that payment of the debt is withheld from fraudulent or vexatious motives, and not from any reasonable doubt as to the party entitled.

Manner of obtaining certificate. II. And it is hereby enacted, that the Zillah or District Court within the jurisdiction of which any part of the property of the deceased may be found shall have authority to grant a certificate under this Act. The applicant in his petition shall set forth his title. The Judge shall issue notice of application, inviting claimants, and fixing a day for hearing the petition, and in these matters shall proceed as laid down in the Rules in Sections and of Act No. of 1841. (Vide Draft Act respecting curators.)

Effect of certificate. III. And it is hereby enacted, that the certificate of the District or Zillah Judge shall be conclusive of the representative title against all debtors to the deceased, and shall afford full indemnity to all debtors paying their debts to the person in whose favor the certificate has been granted.

Security taken from grantee of certificate. IV. And it is hereby enacted, that the District or Zillah Judge may take such security as he shall think necessary from any person to whom he shall grant a certificate for rendering an account of debts received by him, and for indemnity of persons who may be entitled to the whole or any part of the monies received by virtue of such certificate, whose right to recover the same by regular suit against the holder of the certificate is not affected by this Act.

Decision of Judge how far final. V. And it is hereby enacted, that the granting of such certificate may be suspended by an appeal to the Court of Sudder Dewanny Adawlut, which Court may declare the party to whom the certificate should be granted, or may direct such proceedings for the investigation of the title as it shall think fit. The Court may also upon petition, after a certificate shall have been granted by the District or Zillah Judge, grant a fresh certificate in supersession of the certificate granted by the District or Zillah Judge, and such fresh certificate shall not affect any payments made to the person to whom any former certificate may have been granted without notice that the same has been superseded.

Local extent of power given by certificate. VI. And it is hereby enacted, that every certificate shall give authority to the person to whom the same is granted throughout the Presidency within which the same is granted, and no certificate subsequently granted in respect of the same property shall be valid or effectual, except as hereinafter mentioned.

Government Notes and Dividends. VII. And it is hereby enacted, that a person certified as aforesaid, may be empowered to receive interest on Government Notes and Dividends on Shares of any Bank or parts thereof, and to negotiate such Securities. He may be also empowered to receive a share of such interest or dividends or to negotiate a share of such Securities. These powers (which shall only arise by express words in the certificate) may be exercised in regard to Government Notes and Certificates of Shares of any Bank, existing within the local jurisdiction of the Supreme Court of that Presidency in which is situate the Court by whom those powers are conferred.

Payments made by certificate, void by reason of previous certificate. VIII. And it is hereby enacted, that where a certificate shall have been granted in cases in which such certificate would be valid, but for the previous grant of a certificate,

all payments made to the person holding the later certificate in ignorance of the grant of the previous certificate shall be held good against claims under such previous certificate.

Certificate after previous grant of Probate or Letters void. IX. And it is hereby enacted, with regard to the real and personal property of deceased persons whose personal property may by law pass to their personal representatives without any Probate or Letters of Administration obtained in any of Her Majesty's Courts of Justice, that no certificate in respect of any such real or personal property shall be valid, if made after a Probate or Letters of Administration granted in respect of the same, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court granting the Probate or Letters of Administration.

Bona fide payments protected. X. And it is hereby provided, that where a certificate shall have been granted in cases in which such certificate would be valid, but for a Probate or Letters of Administration previously granted, all payments made to the person holding the certificate in ignorance of the previous granting of the Probate or Letters of Administration, shall be held good against claims under the Probate or Letters of Administration so previously granted.

Probate or Letters after previous grant of Certificate. XI. And it is hereby enacted, that no Probate or Letters of Administration shall be valid for the purpose of the recovery of debts or the security of debtors, after a certificate granted in respect of the same property for which such Probate or Letters of Administration shall have been granted, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court making such appointment or granting such certificate.

Bona fide payments protected. XII. And it is hereby provided, that where Probate or Letters of Administration may have been granted, in cases in which such Probate or Letters of Administration would be valid, but for the previous grant of a certificate, all payments made in ignorance of the previous grant of the certificate shall be held good against claims under such previous certificate.

Effect of Probates and Letters granted to Representatives of Hindoos and others. XIII. And it is hereby declared and enacted, that all Probates and Letters of Administration granted by any of Her Majesty's Courts in cases in which any assets belonging to deceased persons were, at the time of their deaths, within the jurisdiction of the Court granting the Probate or Letters of Administration, shall have the effect of Probate and Letters of Administration granted in respect of the property of persons whose personal property cannot by law pass to his personal representatives without a Probate or Letters of Administration, but for the purpose of the recovery of debts only, and the security of debtors paying the same; except so far as is in this Act provided, and except that this Act shall not be construed to make the taking out of Probate or Letters of Administration necessary for succession to property in any case in which it is not now necessary.

Effect of Probates and Letters granted to Representatives of Hindoos and others. XIV. And it is hereby provided that nothing in this Act contained shall be held to extend to the real or personal property of any person whose personal property cannot by law pass to the personal representative without a Probate or Letters obtained in one of Her Majesty's Courts of Justice.

Ordered, that the Draft now read be published for general information.

Ordered that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 1st day of March next.

**FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
The 30th November, 1840.**

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 30th November, 1840, is hereby promulgated for general information.

Act No. XXIII. of 1840.

An Act for executing within the local limits of the jurisdiction of Her Majesty's Courts Legal Process issued by authorities in the Mofussil.

I. Whereas great inconvenience has been experienced, in consequence of the difficulty of procuring the attendance as witnesses before the Mofussil Authorities of persons resident within the local limits of Her Majesty's Supreme Courts, and, in consequence of justice being often frustrated by reason of persons and property within such limits being exempted from process issued by such Authorities, which has also occasioned inconvenience to the inhabitants within such limits, in suits in the Mofussil Courts to which they are parties:—

It is hereby enacted, that any Writ, Warrant, or other Process issued by any Court, Judge, or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras and Bombay respectively, may be executed within those limits in manner following:—A copy of such Writ, Warrant, or other Process authenticated as such by the attestation of the Court, Judge, or Magistrate signing or issuing the same, accompanied by a certified translation in the English language, shall be presented to any Judge of Her Majesty's Courts, who may thereupon, under his hand and signature, indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff, or by any Justice of the Peace according to the nature of such Writ, Warrant or other Process.

II. And it is hereby provided, that upon the delivery of every such Writ, Warrant or Process so indorsed as aforesaid to any such Sheriff or Justice, every such Sheriff shall make a memorandum of the date of such delivery, and shall execute such Writ, Warrant or Process in like manner as if the same had originally issued from any of Her Majesty's Courts and had been delivered at the

date as appearing by the memorandum; and such Sheriff shall make no distinction as to priority or otherwise between the execution of any Writ, Warrant or other Process originally issued from any of Her Majesty's Courts, and the execution of any Writ, Warrant or other Process, under this Act. But every Writ, Warrant and other Process whether original, or indorsed as aforesaid, shall, amongst each other, be subject to the same rules touching the mode and order of execution as are now established in respect of Writs, Warrants, and other Process originally issued from Her Majesty's Courts of Justice.

III. And it is hereby enacted, that every such Sheriff shall be liable to be proceeded against in Her Majesty's Courts of Justice for all matters touching the execution of any Writ, Warrant or other Process executed under this Act, in like manner as if the same had originally issued from any of Her Majesty's Courts of Justice. And all persons and property seized or detained under any Writ, Warrant or Process executed by virtue of this Act shall be dealt with in like manner as if such persons or property had been seized or detained under the like Writ, Warrant or other Process issued from any of Her Majesty's Courts of Justice.

IV. And it is hereby enacted, that all persons disobeying or obstructing the execution of any Writ, Warrant or other Process indorsed under this Act, shall be punishable in Her Majesty's Courts of Justice in like manner as if the same had issued from such Courts; Provided always that, in the case of process for the attendance of witnesses, Her Majesty's Courts shall be governed by the like rules touching expenses and other matters as are established in regard to Subpoenas issued from such Courts.

V. And it is hereby enacted, in the case of persons seized or detained by virtue of any Writ, Warrant or other Process executed under the authority of this Act by any Justice of the Peace or by any Sheriff, it shall be the duty of every such Sheriff or Justice of the Peace if so required by the indorsement of the Judge, to deliver the party in custody to such authority or persons as shall be particularly specified in such indorsement, and who shall have been charged with the execution of the Writ, Warrant or other Process by the authority originally issuing the same, and for that purpose to cause the party in custody to be conveyed to any place within the Company's territories beyond the local limits of the jurisdiction of Her Majesty's Courts.

VI. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, it shall be lawful for the Judge who shall be required to indorse the same, to remit the same for amendment to the authority issuing the same if the same shall appear to be defective in any matter of form.

VII. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, for the seizure or detention of any person, it shall be lawful for the Judge who shall be required to indorse the same to direct by indorsement that bail (the amount and number of Surety to be specified in such indorsement) may be taken; or for this purpose to call for such documents and to make such enquiry as he shall think proper.

VIII. And whereas it is expedient, that offenders sentenced by the Mofussil authorities to imprisonment with or without hard labour, should be subjected to the most improved rules of prison-discipline, which cannot in all cases, be conveniently done except in the prisons locally situated within the jurisdiction of Her Majesty's Supreme Courts, it is hereby enacted, that all Civil or Criminal Gaols and Houses of Correction within the jurisdiction of any of Her Majesty's Supreme Courts shall, according to the nature of the case, be liable to be used by the Sheriff for the purposes of this Act, and the parties imprisoned therein under the authority of the Act shall be liable to the prison-discipline thereof, and all sentences of imprisonment passed by any Judge, Court or Magistrate in the territories of the East India Company beyond the local limits of Her Majesty's Supreme Courts, may be executed in whole or in part within any of the Gaols or Houses of Correction aforesaid, provided that a copy of the Warrant of Commitment or other Process authorizing the imprisonment be so indorsed as aforesaid and such indorsement contain the necessary directions.

IT is hereby notified for general information—
First.—That all Letters and Newspapers, except Sol-
diers' and Sailors' Letters, intended for transmission by
the Overland Mail, and except those specially marked
"via Falmouth," will be sent through France, and thus
be subject to the heavier rate of postage.
Second.—Letters and Newspapers addressed to France,
as well as those to other foreign countries, with which
France is the channel of communication (if the latter are
expressly directed to be so sent) will be made up in Packets
and sent to the French Post Master at Marseilles; but
Letters for British Countries, other than France, if not
specially directed, will be included in the Packets

Newspapers, if sent via Falmouth, are free of postage;
but if transmitted by the way of Marseilles, they are
charged 2d. each.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of proposed Act dated the 3d June 1839, and published in the Calcutta Gazette of the 8th of the same month, for the protection of moveable and immovable property against wrongful possession in cases of successions.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject, be republished for general information:

ACT No. — OF 1840.

Act for the protection of moveable and immovable property against wrongful possession in cases of successions.

I. Whereas much inconvenience has been experienced, where persons have died possessed of moveable and immovable property, and the same has been taken upon pretended claims of right by gift or succession; the difficulty of ascertaining the precise nature of the moveable property in such cases, the opportunities for misappropriating such property, and also the profits of real property, the delays of a regular suit when vexatiously protracted, and the inability of heirs when out of possession to prosecute their rights, affording strong temptations for the employment of force or fraud in order to obtain possession. And whereas, from the above causes, the circumstance of actual possession, when taken upon a succession, does not afford an indication of rightful title equal to that of a decision by a Judge after hearing all parties in a summary suit, though such summary suit may not be sufficient to prevent a party removed from possession thereby from instituting a regular suit,—and whereas such summary suit, though it will take away many of the temptations which exist for assuming wrongful possession upon a succession will be too tardy a remedy for obviating them all, especially as regards moveable property. And whereas it may be expedient prior to the determination of the summary suit to appoint a Curator to take charge of property upon a succession, where there is reason to apprehend danger of misappropriation, waste or neglect, and where such appointment will, in the opinion of the authority making the same, be beneficial under all the circumstances of the case. And whereas it will be very inconvenient to interfere with successions to estates by the appointment of Curators, or by summary suits unless satisfactory grounds for such proceedings shall appear, and unless such proceedings shall be required by or on the behalf of parties giving satisfactory proof that they are likely to be materially prejudiced if left to the ordinary remedy of a regular suit:—

It is hereby enacted, that whenever a person dies leaving property, moveable or immovable, it shall be

lawful for any person claiming a right by succession thereto, or to any portion thereof, and being out of possession, to make application to the Judge of the Court of the District where any part of the property is found or situate for relief, either after actual possession has been taken by another person, or when opposition is apprehended.

II. And it is hereby enacted, that it shall be lawful for any agent, relative, or near friend, or for the Court of Wards in cases within their cognizance in the event of any minor disqualified or absent person being entitled by succession to such property as aforesaid, and being out of possession to make the like application for relief.

III. And it is hereby enacted, that the Judge to whom such application shall be made shall, in the first place enquire by the solemn declaration of the complainant, and by witnesses and documents at his discretion, whether there be strong reasons for believing that the party in possession is holding possession unlawfully, and that the applicant, or the person on whose behalf he applies is really entitled, and that the application is made bona fide.

IV. And it is hereby enacted, that in case the Judge shall be satisfied of the existence of such strong grounds of belief but not otherwise, he shall cite the party in possession and give notice of vacant or disturbed possession by publication, and after the expiration of a reasonable time shall determine summarily the right to possession (subject to regular suit as hereinafter mentioned) and shall deliver possession accordingly—provided always that the Judge shall have the power to appoint an officer who shall take an inventory of effects, and seal or otherwise secure the same upon being applied to for the purpose without delay, whether he shall have concluded the enquiry necessary for citing the party in possession or not.

V. And it is hereby enacted, that in case it shall further appear, upon such application and examination as aforesaid, that danger is to be apprehended of the misappropriation or waste of the property before the summary suit can be determined, and that it is likely to be attended with manifest benefit to the party out of possession, provided he be the lawful owner by succession, and that the delay in obtaining security from the party in possession, or the insufficiency thereof is likely to expose the party out of possession to considerable risk, provided he be the lawful owner; ■ shall be lawful for the Judge to appoint one or more Curators with the powers hereinafter next mentioned, whose authority shall continue according to the terms of his or their respective appointments, and in no case beyond the determination of the summary suit and the confirmation or delivery of possession in consequence thereof. Provided always that, in the case of land, the Judge may delegate ■ the Collector or to his officer the powers of a Curator, and also that every appointment of a Curator in respect of any property be duly published.

VI. And it is hereby enacted, that the Judge shall have power to authorize such Curator, either to take possession of the property generally, or until security

be given by the party in possession, or until inventories of the property shall have been made, or for any other purpose necessary for securing the property from misappropriation or waste by the party in possession. Provided always, that it shall be entirely discretionary with the Judge, whether he shall allow the party in possession to continue in such possession, on giving security, or not, and any continuance in possession shall be subject to such orders as the Judge may issue touching inventories, or the securing of deeds or other effects.

VII. And it is hereby enacted, that the Judge shall exact from the Curator security for the faithful discharge of his trust, and for rendering satisfactory accounts of the same as hereinafter mentioned, and may authorize him to receive out of the property such remuneration as shall appear reasonable, but in no case exceeding 5 per centum on the personal property and on the annual profits of the real property, all surplus monies realized by the Curator shall be paid into Court, and invested in public Securities for the benefit of the persons entitled thereto upon adjudication of the summary suit. Provided always, that although security shall be required from the Curator with all reasonable despatch, and, where it is practicable, shall be taken generally to answer all cases for which the person may be afterwards appointed Curator, yet no delay in the taking of security shall prevent the Judge from immediately investing the Curator with the powers of his office.

VIII. And it is hereby enacted, that in all matters regarding the propriety of citing the party in possession, of appointing a Curator, and of nominating individuals to that appointment, the Judge shall demand a report from the Collector, and the Collector is hereby required to furnish the same. In cases of urgency the Judge may proceed, in the first instance, without such report and he shall not be obliged to act in conformity thereto, but, in case of his acting otherwise than according to such report, he shall immediately forward a statement of his reasons to the Court of Sudder Dewany Adawlut, and the Court of Sudder Dewany Adawlut if they shall be dissatisfied with such reasons shall direct the Judge to proceed conformably to the report of the Collector.

IX. And it is hereby enacted, that the Curator shall be subject to all orders of the Judge regarding the institution or the defence of suits, and that all suits may be instituted or defended in the name of the Curator on behalf of the estate, provided that suits concerning the estate which would be triable before the Judge appointing the Curator shall be triable in the Zillah or City Court nearest to that of such Judge.

X. And it is hereby enacted, that pending the custody of the property by the Curator, it shall be lawful for the Judge to make such allowances as upon a summary investigation of the rights and circumstances of the parties interested, he shall consider that necessity may require, taking, at his discretion, security for the repayment thereof with interest, in case the party shall, upon the adjudication of the summary suit, appear not to be entitled thereto.

XI. And it is hereby enacted, that the Curator shall file monthly accounts in abstract, and at the period of every three months, if his administration last so long, and upon giving up the possession of the property file a detailed account of his administration to the satisfaction of the Judge.

XII. And it is hereby enacted, that after the Judge of any district shall have appointed any Curator, such appointment shall preclude the Judge of any other district within the same Presidency from appointing any other Curator, provided the first appointment be in respect of the whole of the property of the deceased. But if the appointment be only in respect of a portion of the property of the deceased, this shall not preclude the appointment within the same Presidency of another Curator in respect of the residue or any portion thereof; provided always that no Judge shall appoint a Curator or enter into a summary suit in respect of property which is the subject of a summary suit previously instituted under this Act before another Judge—and provided further, that if two or more Curators be appointed by different Judges for several parts of an estate, it shall be lawful for the Sudder Dewany Adawlut to make such order as it shall think fit for the appointment of one Curator of the whole property.

XIII. And it is hereby provided, that this Act shall not be put in force, unless the aforesaid application to the Judge be made within six months of the decease of the proprietor, whose property is claimed by right of succession.

XIV. And it is hereby enacted, that this Act shall not be put in force to contravene any act of settlement, or in cases in which the deceased proprietor shall have given legal directions for the possession of his property after his decease in the event of minority or otherwise in opposition to such directions, but in every such case so soon as the Judge having jurisdiction over the property of a deceased person, shall be satisfied of the existence of such directions he shall give effect thereto, appointing the person indicated thereby to be Curator under this Act if so desired.

XV. And it is hereby provided, that this Act shall not be put in force, for the purpose of disturbing the possession of the Court of Wards of any Presidency; and in case a minor, or other disqualified person whose property shall be subject to the Court of Wards, shall be the party on whose behalf application is made under this Act, the Judge if he determines to cite the party in possession and also to appoint a Curator, shall invest the Court of Wards with the Guardianship of the estate pending the suit without taking such security as aforesaid, and in case the minor or other disqualified person shall, upon the adjudication of the summary suit appear to be entitled to the property, possession shall be delivered to the Court of Wards.

XVI. And it is hereby provided, that nothing in this Act contained shall be any impediment to the bringing of a regular suit either by the party whose application may have been rejected, before or after citing the party in possession, or by the party who may have been evicted from the possession under this Act.

XVII. And it is hereby enacted, that the decision of the Judge upon the summary suit under this Act shall have no other effect than, that of settling the actual possession; but that for this purpose it shall be final, not subject to any appeal or order for review.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 1st day of March next

FORT WILLIAM, LEGISLATIVE DEPARTMENT,

THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of a proposed Act dated the 3d June 1839, and published in the Calcutta Gazette of the 8th of the same month, for facilitating the collection of debts on successions, and for the security of parties in paying debts to the representatives of deceased persons.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject, be re-published for general information:

Act No. — of 1840.

Act for facilitating the collection of debts on successions, and for the security of parties paying debts to the representatives of deceased persons.

I. Whereas the use of Probates and Letters of Administration in regard to the property of deceased British subjects and other persons subject to the Supreme Courts, in their Ecclesiastical Jurisdiction, has been found very expedient, as well for enforcing the rights of persons entitled to such property by succession, as also for the security of all persons having transactions with them. And whereas the occasional use of Probates and Letters of Administration in respect of the property of deceased Natives of India, though voluntarily adopted by their representatives for the sake of the advantages arising therefrom, has been attended with much expense and inconvenience, besides creating much legal doubt as to the effect of the authority conferred. And whereas it is expedient to give an express legislative sanction to Probates and Letters granted by the Supreme Courts, in respect of the property of deceased Natives, and to authorize instruments having the like effect with Probates and Letters of Administration being granted by the Native Courts, but, in either

case, for the purpose of recovering debts only, and the security of debtors paying the same;—

No debt recoverable without a certificate. It is hereby enacted, that no debtor of any deceased person shall be compelled in any Court of Law to pay his debt to any person claiming to be entitled to the effects of any deceased person or any part thereof, except on the production of a certificate to be obtained in manner hereinafter mentioned, unless the Court shall be of opinion that payment of the debt is withheld from fraudulent or vexatious motives, and not from any reasonable doubt as to the party entitled.

Manner of obtaining certificate. II. And it is hereby enacted, that the Zillah or District Court within the jurisdiction of which any part of the property of the deceased may be found shall have authority to grant a certificate under this Act. The applicant in his petition shall set forth his title. The Judge shall issue notice of application, inviting claimants, and fixing a day for hearing the petition, and in these matters shall proceed as laid down in the Rules in Sections and of Act No. of 1841. (Vide Draft Act respecting curators.)

Effect of certificate. III. And it is hereby enacted, that the certificate of the District or Zillah Judge shall be conclusive of the representative title against all debtors to the deceased, and shall afford full indemnity to all debtors paying their debts to the person in whose favor the certificate has been granted.

Security taken from grantee of certificate. IV. And it is hereby enacted, that the District or Zillah Judge may take such security as he shall think necessary from any person to whom he shall grant a certificate for rendering an account of debts received by him, and for indemnity of persons who may be entitled to the whole or any part of the monies received by virtue of such certificate, whose right to recover the same by regular suit against the holder of the certificate is not affected by this Act.

Decision of Judge how far final. V. And it is hereby enacted, that the granting of such certificate may be suspended by an appeal to the Court of Sudder Dewanny Adawlat, which Court may declare the party to whom the certificate should be granted, or may direct such proceedings for the investigation of the title as it shall think fit. The Court may also upon petition, after a certificate shall have been granted by the District or Zillah Judge, grant a fresh certificate in supersession of the certificate granted by the District or Zillah Judge, and such fresh certificate shall not affect any payments made to the person to whom any former certificate may have been granted without notice that the same has been superseded.

Local extent of power given by certificate. VI. And it is hereby enacted, that every certificate shall give authority to the person to whom the same is granted throughout the Presidency within which the same is granted, and no certificate subsequently granted in respect of the same property shall be valid or effectual, except as hereinafter mentioned.

Government Notes and Dividends. VII. And it is hereby enacted, that a person certified as aforesaid, may be empowered to receive interest on Government Notes and Dividends on Shares of any Bank or parts thereof, and to negotiate such Securities. He may be also empowered to receive a share of such interest or dividends or to negotiate a share of such Securities. These powers (which shall only arise by express words in the certificate) may be exercised in regard to Government Notes and Certificates of Shares of any Bank, existing within the local jurisdiction of the Supreme Court of that Presidency in which is situated the Court by whom those powers are conferred.

Payments made by certificate void by reason of previous certificate. VIII. And it is hereby enacted, that where a certificate shall have been granted in cases in which such certificate would be valid, but for the previous grant of a certificate,

all payments made to the person holding the later certificate in ignorance of the grant of the previous certificate shall be held good against claims under such previous certificate.

Certificate after previous grant of Probate or Letters void. IX. And it is hereby enacted, with regard to the real and personal property of deceased persons whose personal property may by law pass to their personal representatives without any Probate or Letters of Administration obtained in any of Her Majesty's Courts of Justice, that no certificate in respect of any such real or personal property shall be valid, if made after a Probate or Letters of Administration granted in respect of the same, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court granting the Probate or Letters of Administration.

Bond for payments protected. X. And it is hereby provided, that where a certificate shall have been granted in cases in which such certificate would be valid, but for a Probate or Letters of Administration previously granted, all payments made to the person holding the certificate in ignorance of the previous granting of the Probate or Letters of Administration, shall be held good against claims under the Probate or Letters of Administration so previously granted.

Probate or Letters after previous grant of Certificate. XI. And it is hereby enacted, that no Probate or Letters of Administration shall be valid for the purpose of the recovery of debts or the security of debtors, after a certificate granted in respect of the same property for which such Probate or Letters of Administration shall have been granted, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court making such appointment or granting such certificate.

Bond for payments protected. XII. And it is hereby provided, that where Probate or Letters of Administration may have been granted, in cases in which such Probate or Letters of Administration would be valid, but for the previous grant of a certificate, all payments made in ignorance of the previous grant of the certificate shall be held good against claims under such previous certificate.

Effect of Probates and Letters granted to Representatives of Hindoos and others. XIII. And it is hereby declared and enacted, that all Probates and Letters of Administration granted by any of Her Majesty's Courts in cases in which any assets belonging to deceased persons were, at the time of their deaths, within the jurisdiction of the Court granting the Probate or Letters of Administration, shall have the effect of Probate and Letters of Administration granted in respect of the property of persons whose personal property cannot by law pass to his personal representative without a Probate or Letters of Administration, but for the purpose of the recovery of debts only, and the security of debtors paying the same; except so far as is in this Act provided, and except that this Act shall not be construed to make the taking out of Probate or Letters of Administration necessary for succession to property in any case in which it is not now necessary.

XIV. And it is hereby provided that nothing in this Act contained shall be held to extend to the real or personal property of any person whose personal property cannot by law pass to the personal representative without a Probate or Letters obtained in one of Her Majesty's Courts of Justice.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 1st day of March next.

THE 30TH NOVEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 30th November, 1840, is hereby promulgated for general information.

ACT No. XXIII. OF 1840.

An Act for executing within the local limits of the jurisdiction of Her Majesty's Courts Legal Process issued by authorities in the Mofussil.

I. Whereas great inconvenience has been experienced, in consequence of the difficulty of procuring the attendance as witnesses before the Mofussil Authorities of persons resident within the local limits of Her Majesty's Supreme Courts, and, in consequence of justice being often frustrated by reason of persons and property within such limits being exempted from process issued by such Authorities, which has also occasioned inconvenience to the inhabitants within such limits, in suits in the Mofussil Courts to which they are parties;—

It is hereby enacted, that any Writ, Warrant, or other Process issued by any Court, Judge, or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras and Bombay respectively, may be executed within those limits in manner following.—A copy of such Writ, Warrant, or other Process authenticated as such by the attestation of the Court, Judge, or Magistrate signing or issuing the same, accompanied by a certified translation in the English language, shall be presented to any Judge of Her Majesty's Courts, who may thereupon, under his hand and signature, indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff, or by any Justice of the Peace according to the nature of such Writ, Warrant or other Process.

II. And it is hereby provided, that upon the delivery of every such Writ, Warrant or Process so indorsed as aforesaid to any such Sheriff as aforesaid, every such Sheriff shall make a memorandum of the date of such delivery, and shall execute such Writ, Warrant or Process in like manner as if the same had originally issued from any of Her Majesty's Courts and had been delivered at the

date as appearing by the memorandum; and such Sheriff shall make no distinction as to priority or otherwise between the execution of any Writ, Warrant or other Process originally issued from any of Her Majesty's Courts, and the execution of any Writ, Warrant or other Process, under this Act. But every Writ, Warrant and other Process whether original, or indorsed as aforesaid, shall, amongst each other, be subject to the same rules touching the mode and order of execution as are now established in respect of Writs, Warrants, and other Processes originally issued from Her Majesty's Courts of Justice.

III. And it is hereby enacted, that every such Sheriff shall be liable to be proceeded against in Her Majesty's Courts of Justice for all matters touching the execution of any Writ, Warrant or other Process executed under this Act, in like manner as if the same had originally issued from any of Her Majesty's Courts of Justice. And all persons and property seized or detained under any Writ, Warrant or Process executed by virtue of this Act shall be dealt with in like manner as if such persons or property had been seized or detained under the like Writ, Warrant or other Process issued from any of Her Majesty's Courts of Justice.

IV. And it is hereby enacted, that all persons disobeying or obstructing the execution of any Writ, Warrant or other Process indorsed under this Act, shall be punishable in Her Majesty's Courts of Justice, in like manner as if the same had issued from such Courts; Provided always that, in the case of process for the attendance of witnesses, Her Majesty's Courts shall be governed by the like rules touching expenses and other matters as are established in regard to Subpoenas issued from such Courts.

V. And it is hereby enacted, in the case of persons seized or detained by virtue of any Writ, Warrant or other Process executed under the authority of this Act by any Justice of the Peace or by any Sheriff, it shall be the duty of every such Sheriff or Justice of the Peace if so required by the indorsement of the Judge, to deliver the party in custody to such authority or persons as shall be particularly specified in such indorsement, and who shall have been charged with the execution of the Writ, Warrant or other Process by the authority originally issuing the same, and for that purpose to cause the party in custody to be conveyed to any place within the Company's territories beyond the local limits of the jurisdiction of Her Majesty's Courts.

VI. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, it shall be lawful for the Judge who shall be required to indorse the same, to send the same for amendment to the authority issuing the same if the same shall appear to be defective in any matter of form.

VII. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, for the seizure or detention of any person, it shall be lawful for the Judge who shall be required to indorse the same to direct by indorsement that bail (the amount and number of Sureties to be specified in such indorsement) may be taken; and for this purpose to call for such documents and to make such enquiry as he shall think proper.

VIII. And whereas it is expedient, that offenders sentenced by the Mofussil authorities to imprisonment with or without hard labour, should be subjected to the most improved rules of prison-discipline, which cannot, in all cases, be conveniently done except in the prisons locally situate within the jurisdiction of Her Majesty's Supreme Courts, it is hereby enacted, that all Civil and Criminal Gaols and Houses of Correction within the jurisdiction of any of Her Majesty's Supreme Courts, shall, according to the nature of the case, be liable to be used by the Sheriff for the purposes of this Act, and the parties imprisoned therein under the authority of this Act shall be liable to the prison-discipline thereof, and all sentences of imprisonment passed by any Judge, Court or Magistrate in the territories of the East India Company beyond the local limits of Her Majesty's Supreme Courts, may be executed in whole or in part within any of the Gaols or Houses of Correction aforesaid, provided that a copy of the Warrant of Commitment or other Process authorizing the imprisonment be so indorsed as aforesaid, and such indorsement contain the necessary directions.

First.—That all Letters and Newspapers, except Sol-

the Overland Mails, and except those specially marked
"via Falmouth," will be sent through France, and thus

Second.—Letters and Newspapers addressed to France,

France is the channel of communication (if the latter are

GENERAL POST OFFICE NOTICE.

UNDER the orders of Government, the subjoined Notice
to the Public of England, is promulgated for the
information of the Public of India; and as the inconveni-
ences described in that Notice, as arising out of the use of
sealing wax, for closing letters, are equally experienced in
India, it is strongly recommended that the use of wafers be
universally adopted as suggested by the English Post
Office Authorities.

No. 9, 1840.

NOTICE TO THE PUBLIC AND INSTRUCTIONS TO ALL POST
MASTERS AND LETTER RECEIVERS.

General Post Office, August 1840.

The practice of sealing letters passing to and from the
East and West Indies, and other warm climates, with wax,
is attended with much inconvenience, and frequently with
serious injury to the letters, in consequence of the melting
of the wax and adhesion of the letters to each other.

In the case of a Mail recently received from India, con-
siderable delay was occasioned at this Office, and notwith-
standing the greatest care was taken in separating the
letters, which, owing to the cause already mentioned, ad-
hered closely together, many were much damaged and torn:
the Public are therefore recommended in all possible cases
to use wafers in preference to wax in sealing their letters
sent to India or other warm climates, and also to advise
their correspondents in those countries to pursue the same
course.

Post Masters are also enjoined to give every publicity to
this caution.

An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

requisition for the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 18,829 Chests of Behar and Benares Opium as above estimated, will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

ARTICLE.

Article of the Convention. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the Persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests hereby before mentioned—the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By Order of the Board of Customs, Salt and Opium,
W. BRACKEN, *Offg. Secretary.*

**FORT WILLIAM,
LEGISLATIVE DEPARTMENT,**

THE 30TH NOVEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 30th November, 1840, is hereby promulgated for general information.

ACT No. XXIII. of 1840.

An Act for preventing within the local limits of the jurisdiction of Her Majesty's Courts Legal Process issued by authorities in the Mofussil.

1. Whereas great inconvenience has been experienced, in consequence of the difficulty of procuring the atten-

dance as witnesses before the Mofussil Authorities of persons resident within the local limits of Her Majesty's Supreme Courts, and, in consequence of justice being often frustrated by reason of persons and property within such limits being exempted from process issued by such Authorities, which has also occasioned inconvenience to the inhabitants within such limits, in suits in the Mofussil Courts to which they are parties:—

It is hereby enacted, that any Writ, Warrant, or other Process issued by any Court, Judge, or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras and Bombay respectively, may be executed within those limits in manner following.—A copy of such Writ, Warrant, or other Process authenticated as such by the attestation of the Court, Judge, or Magistrate signing or issuing the same, accompanied by a certified translation in the English language, shall be presented to any Judge of Her Majesty's Courts, who may thereupon, under his hand and signature, indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff, or by any Justice of the Peace according to the nature of such Writ, Warrant or other Process.

II. And it is hereby provided, that upon the delivery of every such Writ, Warrant or Process as indorsed as aforesaid to any such Sheriff or Justice, every such Sheriff shall make a memorandum of the date of such delivery, and shall execute such Writ, Warrant or Process in like manner as if the same had originally issued from any of Her Majesty's Courts and had been delivered at the date as appearing by the memorandum; and such Sheriff shall make no distinction as to priority or otherwise between the execution of any Writ, Warrant or other Process originally issued from any of Her Majesty's Courts, and the execution of any Writ, Warrant or other Process, under this Act. But every Writ, Warrant and other Process whether original, or indorsed as aforesaid, shall, amongst other, be subject to the same rules touching the mode and order of execution as are now established in respect of Writs, Warrants, and other Process originally issued from Her Majesty's Courts of Justice.

III. And it is hereby enacted, that every such Sheriff shall be liable to be proceeded against in Her Majesty's Courts of Justice for all matters touching the execution of any Writ, Warrant or other Process executed under this Act, in like manner as if the same had originally issued from any of Her Majesty's Courts of Justice. And all persons and property seized or detained under any Writ, Warrant or Process executed by virtue of this Act shall be dealt with in like manner as if such persons or property had been seized or detained under the like Writ, Warrant or other Process issued from any of Her Majesty's Courts of Justice.

IV. And it is hereby enacted, that all persons disobeying or obstructing the execution of any Writ, Warrant or other Process indorsed under this Act, shall be punishable in Her Majesty's Courts of Justice, in like manner as if the same had issued from such Courts. Provided always that, in the case of process for the attendance of witnesses, Her Majesty's Courts shall be governed by the like rules touching expenses and other matters as are established in regard to Subpoenas issued from such Courts.

V. And it is hereby enacted, in the case of persons seized or detained by virtue of any Writ, Warrant or other Process executed under the authority of this Act by any Justice of the Peace or by any Sheriff, it shall be the duty of every such Sheriff or Justice of the Peace if so required by the indorsement of the Judge, to deliver the party in custody to such authority or persons as shall be particularly specified in such indorsement, and who shall have been charged with the execution of the Writ, Warrant or other Process by the authority originally issuing the same, and for that purpose to cause the party in custody to be conveyed to any place within the Company's territories beyond the local limits of the jurisdiction of Her Majesty's Courts.

VI. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, it shall be lawful for the Judge who shall be required to indorse the same, to remit the same for amendment to the authority issuing the same if the same shall appear to be defective in any matter of form.

VII. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, for the seizure or detention of any person, it shall be lawful for the Judge who shall be required to indorse the same to direct by indorsement that bail (the amount and number of Sureties to be specified in such indorsement) may be taken; and for this purpose to call for such documents and to make such enquiry as he shall think proper.

VIII. And whereas it is expedient, that offenders sentenced by the Mofussil authorities to imprisonment with or without hard labour, should be subjected to the most improved rules of prison-discipline, which cannot, in all cases, be conveniently done except in the prisons locally situated within the jurisdiction of Her Majesty's Supreme Courts, it is hereby enacted, that all Civil and Criminal Gaols and Houses of Correction within

the jurisdiction of any of Her Majesty's Supreme Courts, shall, according to the nature of the case, be liable to be used by the Sheriff for the purposes of this Act, and the parties imprisoned therein under the authority of this Act shall be liable to the prison-discipline thereof, and all sentences of imprisonment passed by any Judge, Court or Magistrate in the territories of the East India Company beyond the local limits of Her Majesty's Supreme Courts, may be executed in whole or in part within any of the Gaols or Houses of Correction aforesaid, provided that a copy of the Warrant of Commitment or other Process authorizing the imprisonment be so indorsed as aforesaid, and such indorsement contain the necessary directions.

 Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.
 Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d.  Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

FORT WILLIAM, LEGISLATIVE DEPARTMENT,

Tue 7th December, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 7th of December 1840, is hereby promulgated for general information.

Act No. XXIV. of 1840.

For amending the Law with respect to rates for Municipal purposes within the Town of Calcutta.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Calcutta shall be applied, and abolish the practice which has hitherto prevailed, of levying five per cent on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such percentage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the percentage leviable by quarterly rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 33 Geo. 3, Cap. 52, in regard to assessments for the Town of Calcutta in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;—

It is hereby enacted, that the assessments which by the Statute 33 Geo. 3 Ch. 52 are authorized to be made for the Town of Calcutta, shall be applicable to the following purposes only—viz. lighting, and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessments and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always that no rate shall be levied exceeding the amount of five per cent on the assessed value of property, without the sanction of the Governor of Fort William in Bengal.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof, that the following duties be undertaken by the

rate-payers themselves—the Justices at their Quarter Sessions shall publish quarterly the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within the following divisions of the Town, or such other divisions as the Governor of Fort William in Bengal may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under their jurisdiction, viz. the 1st or Upper North Division; bounded as follows:

North—by the Mahratta Ditch.

South—by the Mutchuoa Bazar Road and Cotton Street to Meerbhur's Ghaut.

East—by the Circular Road.

West—by the River Hooghly.

2d or Lower North Division, bounded as follows:

North—by Mutchuoa Bazar Road and Cotton Street, to Meerbhur's Ghaut.

South—by the Boitakhanna and Bow Bazar Road, and Hare Street, to Police Ghaut.

East—by the Circular Road.

West—by the River Hooghly.

3d or Upper South Division, bounded as follows:

North—Boitakhanna, Bow Bazar Road and Hare Street, to Police Ghaut.

South—Durrumtollah Street and Esplanade Row, to Chandpaul Ghaut.

East—Circular Road.

West—River Hooghly.

4th or Lower South Division, bounded as follows:

North—by the Durrumtollah Street and Esplanade Row, to Chandpaul Ghaut.

South—by the Lower Circular Road to Kidderpore Bridge and Tolly's Nullah, to River Hooghly, including the Fort and Cooly Bazar.

East—by the Circular Road.

West—by the River Hooghly.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate-payers of any of such respective divisions shall apply to the Governor of Fort William in Bengal to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort William in Bengal to authorize the same accordingly, at his discretion; provided always that such majority of rate-payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor of Fort William in Bengal upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor of Fort William in Bengal, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of

Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any Assessment rate or Warrant of Distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and, in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And that all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any Zenana, the Officer charged with the execution of the Warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court.

General Post Office, August 1840.

The practice of sealing letters passing to and from the East and West Indies, and other warm climates, with wax, is attended with much inconvenience, and frequently with serious injury to the letters, in consequence of the melting of the wax and adhesion of the letters to each other.

In the case of a Mail recently received from India, considerable delay was occasioned at this Office, and notwithstanding the greatest care was taken in separating the letters, which, owing to the cause already mentioned, adhered closely together, many were much damaged and torn: the Public are therefore recommended in all possible cases to use wafers in preference to wax in sealing their letters sent to India or other warm climates, and also to advise their correspondents in those countries to pursue the same course.

Post Masters are also enjoined to give every publicity to this caution.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other Foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 6d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

ARTICLE.

6. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the Persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned—the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1858, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouch-
ed for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

FORT WILLIAM, LEGISLATIVE DEPARTMENT. THE 7TH DECEMBER, 1840.

The following Act passed by the Right Hon^{ble} the Governor General of India in Council on the 7th of December 1840, is hereby promulgated for general information.

For amending the Law with respect to rates for Municipal purposes within the Town of Calcutta.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Calcutta shall be applied; and whereas the present law, which has hitherto prevailed, of levying rates on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per-centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per-centage leviable by quarterly rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within each district respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 33 Geo. 3, Cap. 52, in regard to assessments for the Town of Calcutta in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act:—

II. And it is hereby enacted, that the assessments and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always that no rate shall be made exceeding the amount of five per cent. on the assessed value of property without the sanction of the Governor of Fort William in Bengal.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate-payers of any of such respective divisions shall apply to the Governor of Fort William in Bengal to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort William in Bengal to authorize the same accordingly, at his discretion; provided always that such majority of rate-payer shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor of Fort William in Bengal upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor of Fort William in Bengal, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of

VI. And it is hereby enacted, that it shall not be necessary in any Assessment rate or Warrant of Distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and, in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chatties of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And that all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any Zenana, the Officer charged with the execution of the Warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 6d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

No. 269 of 1840.—His Excellency the Commander in Chief having laid before Government a letter from Major General Sir Willoughby Cotton, G. C. B. and K. C. H., Commanding in Afghanistan, transmitting Medical Certificates, and soliciting permission to resign his Command for the purpose of returning to Europe, for the recovery of his health, the Right Hon'ble the Governor General of India in Council, while he much regrets the retirement of an Officer who has rendered such valuable services to the State, and deeply laments its cause, nevertheless deems it due to the Major General, in consideration of the seriously impaired state of his health, to comply with his solicitation.

The Governor General of India in Council has great satisfaction in expressing the high sense entertained by Government of the ability displayed by Sir W. Cotton in exercising during a period of great difficulty the important Command for which he was selected, and their acknowledgment of the judgment, discretion and vigilance, with which he directed the distribution, and consulted the well being of the troops under his Command.

Duly appreciating the feeling which induced the Major General, notwithstanding the precarious state of his health, to remain at his post, while he deemed his presence neces-

sary, the Governor General of India in Council congratulates Sir W. Cotton, on having before relinquishing his Command, succeeded in surmounting the principal Military difficulties of the task imposed on him.

THE 7TH DECEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 7th of December 1840, is hereby promulgated for general information.

Act No. XXIV. of 1840.

For amending the Law with respect to rates for Municipal purposes within the Town of Calcutta.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Calcutta shall be applied; and abolish the practice which has hitherto prevailed, of levying five per cent on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the pur-

poses of the rates; such per-centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per-centage leviable by quarterly rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 33 Geo. 3, Cap. 52, in regard to assessments for the Town of Calcutta in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;—

It is hereby enacted, that the assessments which by the Statute 33 Geo. 3, Ch. 52 are authorized to be made for the Town of Calcutta, shall be applicable to the following purposes only—viz. lighting, and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessments and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor of Fort William in Bengal.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves—the Justices at their Quarter Sessions shall publish quarterly the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within the following divisions of the Town, or such other divisions as the Governor of Fort William in Bengal may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under their jurisdiction, viz. the 1st or Upper North Division, bounded as follows:

North—by the Mahratta Ditch.

South—by the Mutehooa Bazar Road and Cotton Street to Meerbhur's Ghant.

East—by the Circular Road.

West—by the River Hooghly.

2d or Lower North Division, bounded as follows:

North—by Mutehooa Bazar Road and Cotton Street, to Meerbhur's Ghant.

South—by the Baitakhanna and Bow Bazar Road, and Haro Street, to Police Ghant.

East—by the Circular Road.

West—by the River Hooghly.

3d or Upper South Division, bounded as follows:

North—Baitakhanna, Bow Bazar Road and Haro Street, to Police Ghant.

South—Durrumtollah Street and Esplanade Row, to Chandpaul Ghant.

East—Circular Road.

West—River Hooghly.

4th or Lower South Division, bounded as follows:

North—by the Durrumtollah Street and Esplanade Row, to Chandpaul Ghant.

South—by the Lower Circular Road to Kidderspore Bridge and Tolly's Nullah, to River Hooghly, including the Fort and Cooly Bazar.

East—by the Circular Road.

West—by the River Hooghly.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate-payers of any of such respective divisions shall apply to the Governor of Fort William in Bengal to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort William in Bengal to authorize the same accordingly, at his discretion; provided always that such majority of rate-payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts,

the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor of Fort William in Bengal upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor of Fort William in Bengal, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any Assessment rate or Warrant of Distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and, in the case of houses numbered in any street,

that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chatties of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And that all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any Zemana, the Officer charged with the execution of the Warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court.

T. H. MADDOCK,
Secy. to the Govt. of India.

LVI.

I. Whereas by a Statute passed in the 3d and 4th years of Her Majesty Queen Victoria, entitled "An Act to regulate the trade of ships built and trading within the limits of the East India Company's Charter," it is enacted "that it shall be lawful for the Governor General of India in Council, by Proclamation, to declare that all ships or vessels built or to be built within the limits of the Charter of the East India Company, being owned by Her Majesty's subjects for whom the said Governor General in Council has power to legislate, and belonging, under the Regulations hereinafter provided for, to any ports in the territories under the Government of the said Company, shall be deemed to be British ships for all the purposes of trade within the said limits, including the Cape of Good Hope and the territories and dependencies thereof; provided that upon such declaration being made the said Governor General in Council shall, and the said Governor General in Council is hereby accordingly empowered, to make Regulations, to be enforced by suitable penalties, concerning the registering, licensing, and ascertaining the admeasurement of the tonnage and burden, and generally for the trading within the limits aforesaid of such ships or vessels." And whereas, in pursuance of such enactments it is expedient to frame such Regulations as are mentioned therein, and the compliance with which shall be required in respect of all ships or vessels not registered, or licensed (for the period of such licence) before the passing of this Act, in order that they may be deemed British ships under such Proclamation as aforesaid:—

(Signed) Collector.

II. And it is hereby enacted, that the ports at which registration shall be made, shall be the ports of Calcutta, Madras, Bombay, —, —, —, and such other places subordinate to the local Governments of India, as such Governments respectively may, from time to time, declare to be registering ports under this Act. Provided, that ships or vessels built at any place other than any of such ports, shall be allowed to make their first voyage to any of such ports, being the ports at which it is intended they shall be registered, under a certificate to be granted by the principal British Officer at the place where the ship is built, or if there be no British Officer in authority there, then by three merchants of such place, which certificate shall contain all the particulars with regard to the ownership and description of the ship or vessels contained in a certificate of registry, and shall specify the ports at which it is intended that they shall respectively be registered, and which certificate shall have all the effect of a certificate of registry under this Act, during the first voyage from the place of building to the ports at which the ships or vessels respectively shall be afterwards registered.

III. And it is hereby enacted, that the persons authorized to make such registry, and to grant such certificates as aforesaid, shall be the persons now authorized to make registry of ships or vessels under the Statute 3 and 4 W. 4, c. 73, and such other or different persons as the local Governments may from time to time appoint for the ports under their respective Presidencies.

IV. And it is hereby enacted, that every port where registry shall be made in pursuance of this Act a book shall be kept by the Registering Officer in which all the particulars contained in the form of the certificate of the registry hereinbefore directed to be used shall be duly entered; and every registry shall be numbered in progression beginning such progressive numeration at the commencement of each and every year. And such Registering Officer shall forthwith, or within one month at the furthest, send to the Government of the Presidency to which he is subordinate a true and exact copy, together with the number of every certificate which shall be by him so granted.

V. And it is hereby enacted, that no registry shall henceforth be made or certificate be granted, until the following declaration be made or subscribed before the Registering Officer, by the owner or major part of the owners of the ship or vessel required to be registered.

I, A. B., of (place of residence and occupation) do truly declare that the ship or vessel (name) of (port or place) whereof (master's name) is at present master, being (kind of built, burthen, or other, as described in the certificate of the Surveying Officer) was (when and where) built, and that I the said (A. B.) and the other owners (names and occupations if any and where they respectively reside) am (or are) sole owner (or owners) of the said vessel, and that no other person or persons whatever hath or have any right, title, interest, share, or property therein or thereto; and that I the said (A. B.) and the said other owners (if any) am (or are) truly and bona fide a subject (or subjects) of Her Majesty for whom the Governor General of India in Council has power to legislate, and that no person not being subject as aforesaid, directly or indirectly, hath any share or part interest in the said ship or vessel. Provided that if the Registering Officer shall see occasion to doubt the truth of any of the facts contained in the above declaration he shall not deem such declaration to be conclusive, but may refuse the registry or certificate and his discretion exercised in this behalf shall be subject only to an appeal to the local Government to which he is subordinate.

VI. And it is hereby enacted, that in case the required number of joint owners of any ship or vessel shall not personally attend to make and subscribe the declaration hereinbefore directed to be made and subscribed, then and in such case such owner or owners, as shall personally attend and make and subscribe the declaration aforesaid, shall further declare that the part owner or part owners of such ship or vessel then absent in or are not resident within twenty miles of such port or place, and hath or have not to the best of his or their knowledge or belief, wilfully absented himself or themselves in order to avoid the making the declaration hereinbefore directed to be made and subscribed, or is or are prevented by illness from attending to make and subscribe the said declaration.

VII. And in order to enable the Registering Officer to grant a certificate truly and accurately describing every ship or vessel to be registered in pursuance of this Act, and also to enable all other Officers of Customs on due examination, to discover whether any such ship or vessel is the same with that for which a certificate is alleged to have been granted, it is hereby enacted, that previous to the registering or granting of any certificate of registry as aforesaid some one or more person or persons appointed by the local Governments respectively, taking to his or their assistance if he or they shall judge it necessary, one or more person or persons skilled in the building and admeasurement of ships, shall go on board of every such ship or vessel that is to be registered, and shall strictly and accurately examine and measure every such ship or vessel as to all and every particular contained in the form of the certificate hereinbefore directed in the presence of the master, or of any other person who shall be appointed for that purpose on the part of the owner or owners, or in his or their absence by the said master, and shall deliver a true and just account in writing of all such particulars of the built, description, and admeasurement of every such ship or vessel as are specified in the form of the certificate above recited to the Officer authorized as aforesaid to make such registry and grant such certificate of registry; and the said master or other person attending on the part of the owner or owners is hereby required to sign his name also to the certificate of such Surveying or Examining Officer, in testimony of the truth thereof, provided such master or other person shall consent and agree to the several particulars set forth and described therein.

VIII. And it is hereby enacted, that from and after the commencement of this Act the tonnage of every ship or vessel required by law to be registered, shall, previous to her being registered, be measured and ascertained while her hold is clear, and according to the following rule; (that is to say) divide the length of the inner deck be-

tween the afterpart of the stem and the forepart of the stern post into six equal parts. Depth; at the foremost, the middle, and the aftermost of those points of division, measure in feet and decimal parts of a foot the depths from the underside of the upper deck to the ceiling at the timber stroke. In the case of a break in the upper deck, the depths are to be measured from a line stretched in a continuation of the deck. Breadth; divide each of those three depths into five equal parts and measure the inside breadth at the following points videlicet, at one-fifth and at four-fifths from the upper deck of the foremost and aftermost depths, and at two-fifths and four-fifths from the upper deck of the midship depth. Length; half the midship depth measure the length of the vessel from the afterpart of the stem to the forepart of the stern post, then to twice the midship depth add the foremost and the aftermost depths for the sum of the depths; add together the upper and lower breadths at the foremost division, three times the upper breadth, and the lower breadth at the midship division, and the upper and twice the lower breadth at the after division, for the sum of the breadths; then multiply the sum of the depths by the sum of the breadths, and this product by the length, and divide the final product by three thousand five hundred, which will give the number of tons for register. If the vessel have a poop or half deck, or a break in the upper deck, measure the inside mean length, breadth and height of such part thereof as may be included within the bulk head; multiply these three measurements together, and dividing the product by 92.4 the quotient will be the number of tons to be added to the result as above found. In order to ascertain the tonnage of open vessels, the depths are to be measured from the upper edge of the upper strake.

IX. And it is hereby enacted, that the tonnage or burthen of every ship belonging to the United Kingdom, ascertained in the manner hereinbefore directed, shall, in respect of any such ship which shall be registered after the commencement of this Act (except as hereinafter excepted,) be inserted in the certificate of the registry thereof, and be taken and deemed to be the tonnage or burthen thereof for all the purposes of the said recited Act.

X. And it is hereby provided, that in each of the several rules hereinbefore prescribed, when applied for the purpose of ascertaining the tonnage of any ship or vessel propelled by steam, the tonnage due to the cubical contents of the engine room shall be deducted from the total tonnage of the vessel as determined by either of the rules aforesaid, and the remainder shall be deemed the true register tonnage of the said ship or vessel. The tonnage due to the cubical contents of the engine room shall be determined in the following manner; that is to say, measure the inside length of the engine room in feet and decimal parts of a foot from the foremost to the aftermost bulk-head, then multiply the said length by the depth of the ship or vessel at the midship division as aforesaid, and the product by the inside breadth at the same division at two-fifths of the depth from the deck taken as aforesaid, and divide the last product by 92.4, and the quotient shall be deemed the tonnage due to the cubical contents of the engine room.

XI. And it is hereby provided, that the tonnage due to the cubical contents of the engine room and also the length of the engine room shall be set forth in the certificate of registry as part of the description of the ship or vessel, and that any alteration of such tonnage due to the cubical contents of the engine room, or of such length of the engine room, after registry, shall be deemed to be an alteration requiring registry de novo within the meaning of the said Act for the registering of ships or vessels.

XII. And it is hereby enacted, that for the purpose of ascertaining the tonnage of all such ships whether belonging to the United Kingdom or otherwise, as there shall be occasion to measure while their cargoes are on board, the following rule shall be observed and is hereby established; (that is to say,) measure, first the length on the upper deck between the afterpart of the stem and the forepart of the stern post; secondly, the inside breadth on the underside of the upper deck at the middle point of the length; and, thirdly, the depth from the underside of the upper deck down the pump-well to the skin, multiply these three dimensions together, and divide the product by one hundred and thirty, and the quotient will be the amount of the register tonnage of such ships.

XIII. And it is hereby enacted, that the true amount of the register tonnage of every merchant ship or vessel belonging to the United Kingdom, to be ascertained according to the rule by this Act established in respect of such ships, shall be deeply carved or cut in figures of at least three inches in length on the main beam of every such ship or vessel, prior to her being registered.

XIV. And it is hereby enacted, that whenever the tonnage of any ship or vessel shall have been ascertained according to the rule herein prescribed (except in the case of ships or vessels which have been admeasured abroad) such account of tonnage shall ever after be deemed the tonnage of such ship or vessel, and shall be repeated in every subsequent registry of such ship or vessel, unless it shall happen that any alteration has been made in the form or burthen of such ship or vessel, or it shall be dis-

covered that the tonnage of such ship or vessel had been erroneously taken and computed.

XV. And it is hereby enacted, that if such certificate as aforesaid shall be sold, lent, or otherwise disposed of to any person or persons whatever than those for whose use it is granted or shall be made use of for the service of any other ship or vessel than the ship or vessel for which it is granted such certificate shall thenceforth be utterly void, and the master or any owner of the ship or vessel who shall be proved to have sold, lent, or disposed of such certificate or made use of the same as aforesaid, or shall have concurred in or been privy to the committing any such offence shall be liable upon conviction by information to a penalty not exceeding 10,000 rupees, and that in case such ship or vessel shall be lost or taken by the enemy, burnt, broken up, or otherwise prevented from returning to the port at which she is registered, or shall on any account have lost and forfeited the privileges of a British ship, or shall have been seized and lawfully condemned for illicit trading, or shall have been taken in execution for debt and sold by due process of law, or shall have been sold to the Crown or the East India Company, or shall under any circumstances have been registered de novo, the certificate, if preserved, shall be delivered up, within one month after the arrival of the master in any port or place in the territories of the East India Company to the Registering Officer at such port, in default whereof the master shall be liable on conviction before a Justice of the Peace in a penalty not exceeding 5,000 rupees. And that if any person not being such subject as aforesaid shall purchase or otherwise become entitled to the whole or to any part or share of or any interest in such ship or vessel, and the same shall be within the limits of any port of the territories of the East India Company, then and in such case the certificate of registry shall within seven days after such purchase or transfer of property in such ship or vessel, be delivered up to the person or persons hereinbefore authorized to make registry and grant certificate of registry at such port or place respectively as aforesaid, and if such ship or vessel shall be in any place not within the territories of the East India Company when such purchase or transfer of property shall take place, then that the certificate shall be delivered up within fourteen days after the arrival of such ship or vessel, or of the master thereof in any port of the territories of the East India Company, in default whereof the master shall be liable on conviction before any Justice of the Peace in a penalty not exceeding 5,000 rupees.

XVI. And it is hereby enacted, that when and so often as the master of any ship or vessel registered in manner hereinbefore directed shall be changed, the master or owner of such ship or vessel shall deliver to the person or persons hereinbefore authorized to make such registry and grant such certificates of registry at the port where such change shall take place if it be a port within the territories of the East India Company, the certificate of registry belonging to such ship or vessel, who shall thereupon indorse and subscribe a memorandum of such change, and shall forthwith give notice of the same to the proper officer of the port or place where such ship or vessel was last registered pursuant to this Act, who shall likewise make a memorandum of the same in the book of registers which is hereby directed and required to be kept, and shall forthwith give notice thereof in like manner as of the original entry. But if the change do not take place in any port within the territories of the East India Company, then such delivery, memorandum and indorsement shall be made and notice given at the first port within the territories of the East India Company at which the new master shall arrive after such change. In default of which delivery of the certificate such new master shall be liable on conviction before a Justice of the Peace, to a penalty not exceeding 5,000 rupees.

XVII. And it is hereby enacted, that it shall not be lawful for any owner or owners of any ship or vessel, to give any name to such ship or vessel other than that by which she was first registered in pursuance of this Act, and that the owner or owners of all and every ship or vessel which shall be so registered, shall, before such ship or vessel after such registry, shall begin to take in any cargo, paint or cause to be painted, in white or yellow letters of a length of not less than four inches, upon a black ground on some conspicuous part of the stern, the name by which such ship or vessel shall have been registered pursuant to this Act, and the port to which she belongs in a distinct and legible manner, and shall so keep and preserve the same, and that if such owner or owners, or master or other person having or taking the charge or command of such ship or vessel, shall permit such ship or vessel to begin to take in cargo before the name of such ship or vessel has been so painted as aforesaid, or shall wilfully alter, erase, obliterate, or in any wise hide or conceal, or cause or procure or permit the same to be done or shall in any written or printed paper, or other document describing such ship or vessel by any name other than that by which she was first registered pursuant to this Act, or shall verbally describe, or cause or procure or permit such ship or vessel to be described by any other name to any Officer or Officers of Revenue in the due execution of his or their duty, then and in every such case the certificate of registry shall thenceforth become utterly

void, and such owner or owners, or master or other person having or taking the charge or command of such ship or vessel shall be liable on information to a penalty not exceeding 1,000 rupees.

XVIII. And it is hereby enacted, that all and every person and persons who shall apply for a certificate of the registry of any ship or vessel shall, and they are hereby required to produce to the person or persons authorized to grant such certificate a true and full particular under the hand of the builder of such ship or vessel, or in case the want of such certificate can be satisfactorily accounted for, then to produce other sufficient evidence of the proper denomination, and of the time when and the place where such ship or vessel was built, and also an exact account of the tonnage of such ship or vessel, and shall also make and subscribe a declaration, before the person or persons hereinbefore authorized to grant such certificate that the ship or vessel for which such certificate is required is the same with that which is so described by the builder as aforesaid.

XIX. And it is hereby enacted, that if the certificate of registry of any ship or vessel shall be lost or mislaid, so that the same cannot be found or obtained for the use of such ship or vessel when needful, and proof thereof shall be made to the satisfaction of the Registering Officer of the port at which the ship is registered, such Officer shall and may permit such ship or vessel to be registered de novo, and a certificate thereof to be granted. Provided always that if such ship or vessel be absent and far distant from the port to which she belongs, or by reason of the absence of the owner or owners, or of any other impediment, registry of the same cannot then be made in sufficient time, such Registering Officer shall and may grant a license for the present use of such ship or vessel, which license shall for the time and to the extent specified therein, and no longer, be of the same force and virtue as a certificate of registry granted under this Act. Provided always that the certificate of registry shall at any time afterwards be found, the same shall be forthwith delivered to the proper Officers of Customs to be cancelled, and that no illegal use be made of the same, in default whereof the original certificate and the renewed certificate or license shall themselves become utterly void, and any person wilfully detaining the certificate is required to be cancelled, or making any illegal use thereof, shall be liable on conviction before any Justice in a penalty not exceeding 5000 rupees.

XX. And whereas it is not proper that any person under any pretence whatever should detain the certificate of registry of any ship or vessel, or hold the same for any purpose other than the lawful use and navigation of the ship or vessel for which it was granted, it is therefore hereby enacted, that if any person who shall have received or obtained by any means or for any purpose whatever the certificate of the registry of any such ship or vessel (whether such person shall claim to be the master or to be the owner or one of the owners of such ship or vessel, or not,) shall wilfully detain and refuse to deliver up the same to the proper Officers of Customs, for the purposes of such ship or vessel, as occasion shall require, or to the person or persons having the actual command, possession, and management of such ship or vessel as the ostensible and reputed master, or as the ostensible and reputed owner or owners thereof, it may and shall be lawful to and for any such last mentioned person to make complaint on oath of such detainer and refusal to any Justice of the Peace residing near to the place where such detainer and refusal shall be, and on such complaint the said Justice shall and is hereby required by warrant under his hand and seal, to cause the person so complained against to be brought before him to be examined touching such detainer and refusal, and if it shall appear to the said Justice on examination of such person or otherwise that the said certificate of registry is not lost or mislaid, but is wilfully detained by the said person, such person shall be subject on conviction before such Justice to a penalty not exceeding 1,000 rupees, and the said Justice shall, and he is hereby required to certify the aforesaid detainer, refusal, and conviction to the person or persons who granted such certificate of registry for such ship or vessel who shall, on the terms and conditions of law being complied with make registry of such ship or vessel de novo, and grant a certificate thereof conformably to law, notifying on the back of such certificate the ground upon which the ship or vessel was so registered de novo; and if the person who shall have detained and refused to deliver up such certificate of registry as aforesaid, or shall be verily believed to have detained the same, shall have absconded so that the said warrant of the Justice cannot be executed upon him, and proof thereof shall be made to the satisfaction of the Registering Officer of the port at which the ship or vessel was registered, it shall be lawful for the said Officer to permit such ship or vessel to be registered de novo, or otherwise, in his discretion, to grant a license for the present use of such ship or vessel in like manner as is hereinbefore provided in the case wherein the certificate of registry is lost or mislaid.

XXI. And it is hereby enacted, that if any ship or vessel, after she shall have been registered pursuant to the directions of this Act, shall in any manner whatever be altered so as not to correspond with all the particulars

contained in the certificate of her registry. In such case such ship or vessel shall be registered *de novo*, in manner hereinbefore required as soon as she returns to the port to which she belongs, or to any other port within the territories of the East India Company, on failure whereof such ship or vessel shall to all intents and purposes be considered and deemed and taken to be a ship or vessel not duly registered.

F. XII. And whereas great inconvenience may arise from the Registering Officers being served with subpoenas requiring them to bring with them and produce, on trials in Courts of law relative to the ownership of vessels, or otherwise the declarations required to be taken by the genera thereof prior to the registering thereof, and the costs of registry, or copies or extracts therefrom. And whereas it would tend much to the dispatch of business if the attendance of such Registering Officers with the same upon such trials were dispensed with, it is therefore hereby enacted, that the Registering Officer at any port or place, and the person or persons acting for them respectively, shall, upon every reasonable request by any person or persons whomsoever, produce and exhibit for his, her or their inspection and examination any declaration made by any such owner or owners, and also any register or entry in any book or books of registry required, and shall upon every reasonable request by any person or persons whomsoever, permit him, her, or them to take a copy or copies, or an extract or extracts thereof respectively, and that the copy and copies of any such oath or declaration, registry or entry, shall upon being proved to be true copy or copies thereof respectively, be allowed and received as evidence upon every trial at law, without the production of the original or originals, and without the testimony or attendance of any Registering Officer, or other person or persons acting for them respectively, in all cases, as fully and to all intents and purposes as such original or originals if produced by any Registering Officer, or other person or persons acting for them, could or might legally be admitted or received in evidence.

XXIII. And it is hereby enacted, that if any person or persons shall falsely make declaration to any of the matters hereinbefore required to be verified by declaration, or if any person or persons shall counterfeit, erase, alter, or falsify any certificate or other instrument in writing required or directed to be obtained, granted, or produced by this Act, or shall knowingly or wilfully make use of any certificate or other instrument so counterfeited,

erased, altered, falsified, or shall wilfully grant such certificate or other instrument in writing, knowing it to be false, such person or persons shall for every such offence be liable on conviction upon information to a penalty not exceeding 10,000 rupees. And if any such offence be committed by the owner of any ship or vessel, the certificate or license of such ship or vessel shall thenceforth be wholly void.

XXIV. It is hereby enacted, that when any ship or vessel duly registered under this Act, or sailing under the British Navigation Law, shall come to be owned, by a Native Prince or State, or by any subject of such Native Prince or State, it shall be lawful for the Governor of Fort William in Bengal, or for the Governor in Council of any Presidency, to continue to such vessel the privilege of a British ship by a pass to be issued under the Company's Seal and subscribed by a Secretary to Government, stating the voyage or voyages for which the same is to have effect, and the period for which it is to last; and it shall be lawful for the Governor of Fort William in Bengal, or the Governor in Council of any Presidency, to issue a similar pass conferring the privileges of a British ship under this Act to any ship or vessel built within the dominions of such Native Prince or State, and owned by such Prince or State, or by any of their subjects, provided always, that the ships belonging to Native Princes or States, or their subjects, in respect of which passes may be granted under this Act shall, during the voyage or voyages, or the period for which any such pass shall be granted be commanded by a subject of Her Majesty for whom the Governor General in Council has power to legislate.

XXV. And it is hereby enacted, that the fees demandable in respect of the granting any certificate or pass under this Act shall be fixed from time to time according to the directions of the Governor General in Council, but so that the same shall not exceed the amount of fees now payable for registering or granting passes of ships or vessels at the different Presidencies.

Ordered, that the Draft now read be published for general information.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 6d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

SUPPLEMENT TO

The Calcutta Gazette.

SATURDAY, DECEMBER 26, 1840.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT.

THE 21st DECEMBER, 1840.

The following Draft of a proposed Act was read in Council for the first time on the 21st of December, 1840.

Act No. — of 1840.

An Act for prescribing the Rules to be observed, in order that ships or vessels belonging to ports within the territories of the East India Company, or belonging to Native Princes or States, or their subjects, may become entitled to the privileges of British ships under a proclamation of the Governor General of India in Council to be made in pursuance of the Stat. 3d and 4th Victoria Ch. I. V. I.

I. Whereas by a Statute passed in the 3d and 4th years of Her Majesty Queen Victoria, entitled "An Act to regulate the trade of ships built and trading within the limits of the East India Company's Charter," it is enacted "that it shall be lawful for the Governor General of India in Council, by Proclamation, to declare that all ships or vessels built or to be built within the limits of the Charter of the East India Company, being owned by Her Majesty's subjects for whom the said Governor General in Council has power to legislate, and belonging, under the Regulations hereinafter provided for, to any ports in the territories under the Government of the said Company, shall be deemed to be British ships for all the purposes of trade within the said limits, including the Cape of Good Hope and the territories and dependencies thereof; provided that upon such declaration being made the said Governor General in Council shall, and the said Governor General in Council is hereby accordingly empowered to make Regulations, to be enforced by suitable penalties, concerning the registration, licensing, and ascertaining the admeasurement of the tonnage and burden, and generally for the trading within the limits aforesaid of such ships or vessels." And whereas it is further enacted in the same Statute that "the Governor General of India in Council may by such Regulations as aforesaid, such Regulations being subject as aforesaid, admit to the privileges and advantages of British ships, for the purposes of trade within the limits of the Charter of the said Company, including the Cape of Good Hope and the territories and dependencies thereof, or to any of such privileges and advantages, any ships or vessels belonging to such Princes or States or any of them, or owned by subjects of any such Princes or States; but any such Regulations shall provide for the granting to such ships or vessels fit and convenient licenses or passes, and generally for the trading within the limits aforesaid of such ships or vessels." And whereas, in pursuance of such enactments it is expedient to frame such Regulations as are mentioned therein, and the compliance with which shall be required in respect of all ships or vessels not registered, or licensed (for the period of such license) before the passing of this Act, in order that they may be deemed British ships under such Proclamation as aforesaid:—

It is hereby enacted, that no ship or vessel shall be entitled to any of the privileges or advantages of British ships under such Proclamation as aforesaid (except as regards ships or vessels registered before the passing of this act and as regards ships or vessels belonging to Native Princes or States or their subjects) unless the person or persons claiming property therein shall have caused the same to have been registered at some one of the ports hereinafter mentioned, within the territories of the East India Company, and shall have obtained a certificate of such registry from the person or persons authorized to make such

registry and grant such certificate as hereinafter directed; the form of which certificate shall be as follows;

"This is to certify, that in pursuance of Act No. — of 1841, of the Governor General of India in Council (here insert the names and occupation and residence of subscribing owners) having made and subscribed the declaration required by the said Act and having declared that (he or they) together with (names, occupations and residence of non-subscribing owners,) (is or are) sole owner or owners, in the proportions specified on the back hereof, of the ship or vessel called the (ship's name) of (place at which the vessel shall be registered) which is of the burthen of (number of tons), and whereof (master's name) is master, and that the said ship or vessel was (when and where built) and (name and employment of Surveying Officer) having certified to us, that the said ship or vessel has (number) decks and (number) masts, that her length from the fore part of the main stem to the after part of the stern post aloft, is (number of feet and inches), her breadth at the broadest part (stating whether that be above or below the main wales) is (number of feet and inches) her height (between decks, if more than one deck or depth in the hold, if only one deck) is (number of feet and inches,) that she is (how rigged) rigged with a (standing or running) bowsprit, is (description of stern) sterned, (carvel or clincher) built, has (whether any or no) gallery, and (kind of head, if any) head; and the said subscribing owners having consented and agreed to the above description, the mid ship or vessel called the (name) has been duly registered at the port of (name of port), certified under our hands at the Custom House, in the said port of (name of port), this (date) day of (name of month) in the year (words at length).

(Signed) Collector.

And on the back of such certificate of registry, there shall be an account of the parts or shares held by each of the owners mentioned and described in such certificate, in the form and manner following:

Names of several owners with- in mentioned.	Number of shares held by each owner.
Name	Thirty-two.
Name	Sixteen.
Name	Eight.
	&c. &c."

(Signed) Collector.

II. And it is hereby enacted, that the ports at which registration shall be made, shall be the ports of Calcutta, Madras, Bombay, —, —, —, and such other places subordinate to the local Governments of India, as such Governments respectively may, from time to time, declare to be registering ports under this Act. Provided, that ships or vessels built at any place other than any of such ports, shall be allowed to make their first voyage to any of such ports, being the ports at which it is intended they shall be registered, under a certificate to be granted by the principal British Officer at the place where the ship is built, or if there be no British Officer in authority there, then by three merchants of such place, which certificate shall contain all the particulars with regard to the ownership and description of the ships or vessels contained in a certificate of registry, and shall specify the ports at which it is intended that they shall respectively be registered, with which certificates shall have all the effect of a certificate of registry under this Act, during the first voyage from the place of building to the ports at which the ships or vessels respectively, shall be afterwards registered.

contained in the certificate of her registry, in such case such ship or vessel shall be registered de novo, in manner hereinbefore required as soon as she returns to the port to which she belongs, or to any other port within the territories of the East India Company, on failure whereof such ship or vessel shall to all intents and purposes be considered, and deemed and taken to be a ship or vessel not duly registered."

XXII. And whereas great inconveniences may arise from the Registering Officers being served with subpoenas requiring them to bring with them and produce, on trials in Courts of Law relative to the ownership of vessels, or otherwise the declarations required to be taken by the owners thereof prior to the registering thereof, and the books of registry, or copies or extracts therefrom. And whereas it would tend much to the dispatch of business if the attendance of such Registering Officers with the same upon such trials were dispensed with, it is therefore hereby enacted, that the Registering Officer at any port or place, and the person or persons acting for them respectively, shall, upon every reasonable request by any person or persons whomsoever, produce and exhibit for his, her or their inspection and examination any declaration made by any such owner or owners, and also any register or entry in any book or books of registry required, and shall upon every reasonable request by any person or persons whomsoever, permit him, her, or them to take a copy or copies, or an extract or extracts thereof respectively, and that the copy and copies of any such oath or declaration, registry or entry, shall upon being proved to be true copy or copies thereof respectively, be allowed and received as evidence upon every trial at law, without the production of the original or originals, and without the testimony or attendance, of any Registering Officer, or other person or persons acting for them respectively, in all cases, as fully and to all intents and purposes as such original or originals if produced by any Registering Officer, or other person or persons acting for them, could or might legally be admitted or received in evidence.

XXIII. And it is hereby enacted, that if any person or persons shall falsely make declaration to any of the matters hereinbefore required to be verified by declaration, or if any person or persons shall counterfeit, erase, alter, or falsify any certificate or other instrument in writing required or directed to be obtained, granted, or produced by this Act, or shall knowingly or wilfully make use of any certificate or other instrument so counterfeited,

erased, altered, falsified, or shall wilfully grant such certificate or other instrument in writing, knowing it to be false, such person or persons shall for every such offence be liable on conviction upon information to a penalty not exceeding 10,000 rupees. And if any such offence be committed by the owner of any ship or vessel, the certificate or books of such ship or vessel shall thenceforth be wholly void.

XXIV. It is hereby enacted, that when any ship or vessel duly registered under this Act, or sailing under the British Navigation Law, shall come to be owned, by a Native Prince or State, or by any subject of such Native Prince or State, it shall be lawful for the Governor of Fort William in Bengal, or for the Governor in Council of any Presidency, to continue as such vessel the privilege of British ship by issuing to be issued under the Company's Seal and subscribed by a Secretary to Government, stating the voyage or voyages for which the same is to have effect, and the period for which it is to last; and it shall be lawful for the Governor of Fort William in Bengal, or the Governor in Council of any Presidency, to issue a similar pass conferring the privileges of a British ship under this Act to any ship or vessel built within the dominions of such Native Prince or State, and owned by such Prince or State, or by any of their subjects, provided always, that the ships belonging to Native Princes or States, or their subjects, in respect of which passes may be granted under this Act shall, during the voyage or voyages, or the period for which any such pass shall be granted be commanded by a subject of Her Majesty for whom the Governor General in Council has power to legislate.

XXV. And it is hereby enacted, that the fees demandable in respect of the granting any certificate or pass under this Act shall be fixed from time to time according to the directions of the Governor General in Council, but so that the same shall not exceed the amount of fees now payable for registering or granting passes to ships or vessels at the different Presidencies.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India, after the 21st day of March next.

Secy. to the Govt. of India.

And whereas it is further enacted in the same Statute that "the Governor General of India in Council may by such Regu- lations as aforesaid, such Regulations being subject as aforesaid, admit to the privileges and advantages of British ships, for the purposes of trade within the limits of the Charter of the said Company, including the Cape of Good Hope and the territories and dependencies thereof, or to any of such privileges and advantages, any ships or ves- sels belonging to such Princes or States or any of them, or owned by subjects of any such Princes or States; but any such Regulations shall provide for the granting to such ships or vessels fit and convenient licences or passes, and generally for the trading within the limits aforesaid of such ships or vessels." And whereas, in pursuance of such enactments it is expedient to frame such Regulations as are mentioned therein, and the compliance with which shall be required in respect of all ships or vessels not registered, or licensed (for the period of such licence) be- fore the passing of this Act, in order that they may be deemed British ships under such Proclamation as afore- said:—

It is hereby enacted, that an ship or vessel shall be enti- tled to any of the privileges or advantages of British ships under such Proclamation as aforesaid (except as regards ships or vessels registered before the passing of this act and as regards ships or vessels belonging to Native Princes or States or their subjects) unless the person or persons claiming property therein shall have caused the same to have been registered at some one of the ports hereinafter mentioned within the territories of the East India Com- pany, and shall have obtained a certificate of such registry from the person or persons authorized to make such

registry and grant such certificate as hereinafter directed; the form of which certificate shall be as follows;

II. And it is hereby enacted, that the ports at which registration shall be made, shall be the ports of Calcutta, Madras, Bombay, —, —, —, —, and such other places subordinate to the local Governments of India, as such Governments respectively may, from time to time, declare to be registering ports under this Act. Provided, that ships or vessels built at any place other than any of such ports, shall be allowed to make their first voyage to any of such ports, being the ports at which it is intended they shall be register- ed, under a certificate to be granted by the principal British Officer at the place where the ship is built, or if there be no British Officer in authority there, then by three merchants of such place, which certificate shall contain all the particulars with regard to the ownership and description of the ships or vessels contained in a certificate of registry, and shall specify the ports at which it is in- tended that they shall respectively be registered, and which certificate shall have all the effect of a certificate of regis- try under this Act, during the first voyage from the place of building to the ports at which the ships or vessels res- pectively shall be afterwards registered.

III. And it is hereby enacted, that the persons authorized to make such registry, and to grant such certificates as aforesaid, shall be the persons now authorized to make registry of ships or vessels under the Statute 8 and 4 W. 4, c. 35, and such other or different persons as the local Governments may from time to time appoint for the ports under their respective Presidencies.

IV. And it is hereby enacted, that at every port where registry shall be made, in pursuance of this Act a book shall be kept by the Registering Officer in which all the particulars required in the form of the certificate of the registry hereinbefore directed to be used shall be duly entered; and every registry shall be numbered in progression beginning with such progressive numeration at the commencement of each and every year. And such Registering Officer shall forthwith, or within one month at the furthest, send to the Government of the Presidency to which he is subordinate a true and exact copy, together with the number of every certificate which shall be by him so granted.

V. And it is hereby enacted, that no registry shall hereafter be made or certificate be granted, until the following declaration be made or subscribed before the Registering Officer, by the owner or major part of the owners of the ship or vessel required to be registered.

I, A. B., of (place of residence and occupation) do truly declare that the ship or vessel (name) of (port or place) whereof (master's name) is at present master, being (kind of built, burthen, or criteria, as described in the certificate of the Surveying Officer) was (when and where) built, and that I (he said (A. B.) and the other owners (names and occupations if any and where they respectively reside) am (or are) sole owner (or owners) of the said vessel, and that no other person or persons whatever hath or have any right, title, interest, share, or property therein or thereto; and that I (he said (A. B.) and the said other owners (if any) am (or are) truly and bona fide a subject (or subjects) of Her Majesty for whom the Governor General of India in Council has power to legislate, and that no person not being subject as aforesaid, directly or indirectly, hath any share or part interest in the said ship or vessel. Provided that if the Registering Officer shall see occasion to doubt the truth of any of the facts contained in the above declaration he shall not deem such declaration to be conclusive, but may refuse the registry or certificate and his discretion exercised in this behalf shall be subject only to an appeal to the local Government to which he is subordinate.

VI. And it is hereby enacted, that in case the required number of joint owners of any ship or vessel shall not personally attend to make and subscribe the declaration hereinbefore directed to be made, and when so made, signed, in such case such owner or owners, as shall personally attend and make and subscribe the declaration aforesaid, shall further declare that the part owner or part owners of such ship or vessel then absent is or are not resident within twenty miles of such port or place, and hath or have not to the best of his or their knowledge or belief, wilfully absented himself or themselves in order to avoid the making the declaration hereinbefore directed to be made and subscribed, or is or are prevented by illness from attending to make and subscribe the said declaration.

VII. And in order to enable the Registering Officer to grant a certificate truly and accurately describing every ship or vessel to be registered in pursuance of this Act, and also to enable all other Officers of Customs on due examination, to discover whether any such ship or vessel is the same with that for which a certificate is alleged to have been granted, it is hereby enacted, that previous to the registering or granting of any certificate of registry as aforesaid some one or more person or persons appointed by the local Governments respectively, taking to his or their assistance if he or they shall judge it necessary, one or more person or persons skilled in the building and admeasurement of ships, shall go on board of every such ship or vessel that is to be registered, and shall strictly and accurately examine and measure every such ship or vessel as to all and every particular contained in the form of the certificate hereinbefore directed in the presence of the master, or of any other person who shall be appointed for that purpose on the part of the owner or owners, or in his or their absence by the said master, and shall deliver a true and just account in writing of all such particulars of the hull, description, and admeasurement of every such ship or vessel as are specified in the form of the certificate above recited to the Collector authorized as aforesaid to make such registry and grant such certificate of registry; and the said master or other person attending on the part of the owner or owners is hereby required to sign his name also to the certificate of such Surveying or Examining Officer, in testimony of the truth thereof, provided such master or other person shall consent and agree to the several particulars set forth and described therein.

VIII. And it is hereby enacted, that from and after the commencement of this Act the tonnage of every ship or vessel required by law to be registered, shall, previous to her being registered, be measured and ascertained while her hold is clear, and according to the following rule; (that is to say) divide the length of the upper deck between the afterpart of the stem and the forepart of the

stem post into six equal parts. Depth; at the foremost, the middle, and the aftermost of those points of division, measure in feet and decimal parts of a foot the depths from the underside of the upper deck to the ceiling of the lower strake. In the case of a break in the upper deck, the depths are to be measured from a line stretched in a continuation of the deck. Breadth; divide each of those three depths into five equal parts and measure the inside breadth at the following points videlicet, at one-fifth and at four-fifths from the upper deck of the foremost and aftermost depths, and at two-fifths and four-fifths from the upper deck of the midship depth. Length; at half the midship depth measure the length of the vessel from the afterpart of the stem to the forepart of the stem post, then to twice the midship depth add the foremost and the aftermost depths for the sum of the depths; add together the upper and lower breadths at the foremost division, three times the upper breadth, and the lower breadth at the midship division, and the upper and twice the lower breadth at the after division, for the sum of the breadths; then multiply the sum of the depths by the sum of the breadths, and this product by the length, and divide the final product by three thousand five hundred, which will give the number of tons for register. If the vessel have a poop or half deck, or a break in the upper deck, measure the inside mean length, breadth and height of each part thereof as may be included within the bulk head; multiply these three measurements together, and dividing the product by 92.4 the quotient will be the number of tons to be added to the result as above found. In order to ascertain the tonnage of open vessels, the depths are to be measured from the upper edge of the upper strake.

IX. And it is hereby enacted, that the tonnage or burthen of every ship belonging to the United Kingdom, ascertained in the manner hereinbefore directed, shall, in respect of any such ship which shall be registered after the commencement of this Act (except as hereinafter excepted,) be inserted in the certificate of the registry thereof, and be taken and deemed to be the tonnage or burthen thereof for all the purposes of the said recited Act.

X. And it is hereby provided, that in each of the several rules hereinbefore prescribed, when applied for the purpose of ascertaining the tonnage of any ship or vessel propelled by steam, the tonnage due to the cubical contents of the engine room shall be deducted from the total tonnage of the vessel as determined by either of the rules aforesaid, and the remainder shall be deemed the true register tonnage of the said ship or vessel. The tonnage due to the cubical contents of the engine room shall be determined in the following manner; that is to say, measure the inside length of the engine room in feet and decimal parts of a foot from the foremost to the aftermost bulk-head, then multiply the said length by the depth of the ship or vessel at the midship division as aforesaid, and the product by the inside breadth at the same division at two-fifths of the depth from the deck taken as aforesaid, and divide the last product by 92.4, and the quotient shall be deemed the tonnage due to the cubical contents of the engine room.

XI. And it is hereby provided, that the tonnage due to the cubical contents of the engine room and also the length of the engine room shall be set forth in the certificate of registry as part of the description of the ship or vessel, and that any alteration of such tonnage due to the cubical contents of the engine room, or of such length of the engine room, after registry, shall be deemed to be an alteration requiring registry de novo within the meaning of the said Act for the registering of ships or vessels.

XII. And it is hereby enacted, that for the purpose of ascertaining the tonnage of all such ships whether belonging to the United Kingdom or otherwise, as there shall be occasion to measure while their cargoes are on board, the following rule shall be observed and is hereby established; (that is to say,) measure, first the length on the upper deck between the afterpart of the stem and the forepart of the stem post; secondly, the inside breadth on the underside of the upper deck at the middle point of the length; and, thirdly, the depth from the underside of the upper deck down the pump-well to the skin, multiply these three dimensions together, and divide the product by one hundred and thirty, and the quotient will be the amount of the register tonnage of such ships.

XIII. And it is hereby enacted, that the true amount of the register tonnage of every merchant ship or vessel belonging to the United Kingdom, to be ascertained according to the rule by this Act established in respect of such ships, shall be deeply carved or cut in figures of at least three inches in length on the main beam of every such ship or vessel, prior to her being registered.

XIV. And it is hereby enacted, that whenever the tonnage of any ship or vessel shall have been ascertained according to the rule herein prescribed (except in the case of ships or vessels which have been ascertained under such account of tonnage shall ever after be deemed the tonnage of such ship or vessel, and shall be reported in every subsequent registry of such ship or vessel, and that shall happen that any alteration has been made in the form of hull of such ship or vessel, or in the position of

covered that the tonnage of such ship or vessel had been erroneously taken and computed.

XV. And it is hereby enacted, that if such certificate as aforesaid shall be sold, lent, or otherwise disposed of to any person or persons whatever than those for whose use it is granted or shall be made use of for the service of any other ship or vessel than the ship or vessel for which it is granted such certificate shall thenceforth be utterly void, and the master or any owner of the ship or vessel who shall be proved to have sold, lent, or disposed of such certificate or made use of the same as aforesaid, or shall be a party concurred in or been privy to the committing any such offence shall be liable upon conviction by information to a penalty not exceeding 10,000 rupees, and that in case such ship or vessel shall be lost or taken by the enemy, burnt, or broken up, or otherwise prevented from returning to the port at which she is registered, or shall on any account have lost and forfeited the privileges of a British ship, or shall have been seized and legally condemned for illicit trading, or shall have been taken in execution for debt and sold by due process of law, or shall have been sold to the Crown or the East India Company, or shall under any circumstances have been registered de novo, the certificate, if preserved, shall be delivered up, within one month after the arrival of the master in any port or place in the territories of the East India Company to the Registering Officer at such port, in default whereof the master shall be liable on conviction before a Justice of the Peace in a penalty not exceeding 5,000 rupees. And that if any person not being such subject as aforesaid shall purchase or otherwise become entitled to the whole or to any part or share of or any interest in such ship or vessel, and the same shall be within the limits of any port of the territories of the East India Company, then and in such case the certificate of registry shall within seven days after such purchase or transfer of property in such ship or vessel, be delivered up to the person or persons hereinbefore authorized to make registry and grant certificates of registry at such port or place respectively as aforesaid, and if such ship or vessel shall be in any place not within the territories of the East India Company when such purchase or transfer of property shall take place, then that the certificate shall be delivered up within fourteen days after the arrival of such ship or vessel, or of the master thereof in any port of the territories of the East India Company, in default whereof the master shall be liable on conviction before any Justice of the Peace in a penalty not exceeding 5,000 rupees.

XVI. And it is hereby enacted, that when and so often as the master of any ship or vessel registered in manner hereinbefore directed shall be changed, the master or owner of such ship or vessel shall deliver to the person or persons hereinbefore authorized to make such registry and grant such certificates of registry at the port where such change shall take place if it be a port within the territories of the East India Company, the certificate of registry belonging to such ship or vessel, who shall thereupon indorse and subscribe a memorandum of such change, and shall forthwith give notice of the same to the proper officer of the port or place where such ship or vessel was last registered pursuant to this Act, who shall likewise make a memorandum of the same in the book of registers which is hereby directed and required to be kept, and shall forthwith give notice thereof in like manner as of the original entry. But if the change do not take place in any port within the territories of the East India Company, then such delivery, memorandum and indorsement shall be made and notice given at the first port within the territories of the East India Company at which the new master shall arrive after such change. In default of which delivery of the certificate such new master shall be liable on conviction before a Justice of the Peace, to a penalty not exceeding 5,000 rupees.

XVII. And it is hereby enacted, that it shall not be lawful for any owner or owners of any ship or vessel, to give any name to such ship or vessel other than that by which she was first registered in pursuance of this Act, and that the owner or owners of all and every ship or vessel which shall be so registered, shall, before such ship or vessel after such registry, shall begin to take in any cargo, paint or canoe to be painted, in white or yellow letters of a length of not less than four inches, upon a black ground on some conspicuous part of the stern, the name by which such ship or vessel shall have been registered pursuant to this Act, and the port to which she belongs in a distinct and legible manner, and shall so keep and preserve the same, and that if such owner or owners, or master or other person having or taking the charge or command of such ship or vessel, shall permit such ship or vessel to begin to take in cargo before the name of such ship or vessel has been so painted as aforesaid, or shall wilfully alter, erase, obliterate, or in any wise hide or conceal or erase or procure or permit the same to be done or shall in any written or printed paper, or other document connected with such ship or vessel by any name other than that by which she was first registered pursuant to this Act, or shall wilfully describe, or cause or procure or permit such ship or vessel to be described by any other name to any Officer or Officers of Revenue in the due execution of his or their duty; then and in every such case the certificate of registry shall thenceforth become utterly

void, and such owner or owners, or master or other person having or taking the charge or command of such ship or vessel shall be liable on information to a penalty not exceeding 1,000 rupees.

XVIII. And it is hereby enacted, that all and every person and persons who shall apply for a certificate of the registry of any ship or vessel shall, when they are hereby required to produce to the person or persons authorized to grant such certificate, a true and full particular under the hand of the builder of such ship or vessel, or in case the want of such certificate can be satisfactorily accounted for, then to produce other sufficient evidence of the proper denomination, and of the time when and the place where such ship or vessel was built, and also an exact account of the tonnage of such ship or vessel, and shall also make and subscribe a declaration before the person or persons hereinbefore authorized to grant such certificate that the ship or vessel for which such certificate is required is the same with that which is so denominated by the builder as aforesaid.

XIX. And it is hereby enacted, that if the certificate of registry of any ship or vessel shall be lost or mislaid, so that the same cannot be found or obtained for the use of such ship or vessel when needful, and proof thereof shall be made to the satisfaction of the Registering Officer of the port at which the ship is registered, such Officer shall and may permit such ship or vessel to be registered de novo, and a certificate thereof to be granted. Provided always that if such ship or vessel be absent and far distant from the port to which she belongs, or by reason of the absence of the owner or owners, or of any other impediment, registry of the same cannot then be made in sufficient time, such Registering Officer shall and may grant a license for the present use of such ship or vessel, which license shall for the time and to the extent specified therein, and no longer, be of the same force and virtue as a certificate of registry granted under this Act. Provided always that if the certificate of registry shall at any time afterwards be found, the same shall be forthwith delivered to the proper Officers of Customs to be cancelled, and that no illegal use be made of the same, in default whereof the original certificate and the renewed certificate or license shall thenceforth become utterly void, and any person wilfully detaining the certificate so required to be cancelled, or making any illegal use thereof, shall be liable on conviction before any Justice in a penalty not exceeding 5000 rupees.

XX. And whereas it is not proper that any person under any pretence whatever should detain the certificate of registry of any ship or vessel, or hold the same for any purpose other than the lawful use and navigation of the ship or vessel for which it was granted, it is therefore enacted, that in case any person who shall have obtained or obtained by any means or for any purpose other than the certificate of the registry of any such ship or vessel (whether such person shall claim to be the master or to be the owner or one of the owners of such ship or vessel, or not,) shall wilfully detain and refuse to deliver up the same to the proper Officers of Customs, for the purposes of such ship or vessel, on occasion shall require, or to the person or persons having the actual command, possession, and management of such ship or vessel as the ostensible and reputed master, or as the ostensible and reputed owner or owners thereof, it may and shall be lawful to and for any such last mentioned person to make complaint on oath of such detainer and refusal to any Justice of the Peace residing near to the place where such detainer and refusal shall be, and on such complaint the said Justice shall and is hereby required by warrant under his hand and seal, to cause the person so complained against to be brought before him to be examined touching such detainer and refusal, and if it shall appear to the said Justice on examination of such person or otherwise that the said certificate of registry is not lost or mislaid, but is wilfully detained by the said person, such person shall be subject on conviction before such Justice to a penalty not exceeding 1,000 rupees, and the said Justice shall, and he is hereby required to certify the aforesaid detainer, refusal, and conviction to the person or persons who granted such certificate of registry for such ship or vessel who shall, on the terms and conditions of law being complied with make registry of such ship or vessel de novo, and grant a certificate thereof conformably to law, notifying on the back of such certificate the ground upon which the ship or vessel was so registered de novo; and if the person who shall have detained and refused to deliver up such certificate of registry as aforesaid, or shall be verily believed to have detained the same, shall have absconded so that the said warrant of the Justice cannot be executed upon him, and proof thereof shall be made to the satisfaction of the Registering Officer, of the port at which the ship or vessel was registered, it shall be lawful for the said Officer to permit such ship or vessel to be registered de novo or otherwise, in his discretion, to grant a license for the present use of such ship or vessel in like manner as is hereinbefore provided in the cases wherein the certificate of registry is lost or mislaid.

XXI. And it is hereby enacted, that if any ship or vessel, after she shall have been registered pursuant to the directions of this Act, shall in any manner whatever be altered so as not to correspond with the particulars

contained, the certificate of her registry, in such case such ship or vessel shall be registered *de novo*, in manner hereinbefore required as soon as she returns to the port to which she belongs, or to any other port within the territories of the East India Company, on failure whereof such ship or vessel shall to all intents and purposes be considered and deemed and taken to be a ship or vessel not duly registered.

XXII. And whereas great inconvenience may arise from the Registering Officers being served with subpoenas requiring them to bring with them and produce, on trials in Courts of Law relative to the ownership of vessels, or otherwise the declarations required to be taken by the owners, thereof prior to the registering thereof, and the books of registry, or copies or extracts therefrom. And whereas it would tend much to the dispatch of business if the attendance of such Registering Officers with the same, upon such trials were dispensed with, it is therefore hereby enacted, that the Registering Officer at any port or place, and the person or persons acting for them respectively, shall, upon every reasonable request by any person or persons whomsoever, produce and exhibit for his, her or their inspection and examination any declaration made by any such owner or owners, and also any register or entry in any book or books of registry required, and shall upon every reasonable request by any person or persons whomsoever, permit him, her, or them to take a copy or copies, or an extract or extracts thereof respectively, and that the copy and copies of any such oath or declaration, registry or entry, shall upon being proved to be true copy or copies thereof respectively, be allowed and received as evidence upon every trial at law, without the production of the original or originals, and without the testimony or attendance of any Registering Officer, or other person or persons acting for them respectively, in all cases, as fully and to all intents and purposes as such original or originals if produced by any Registering Officer, or other person or persons acting for them, could or might legally be admitted or received in evidence.

XXIII. And it is hereby enacted, that if any person or persons shall falsely make declaration to any of the matters hereinbefore required to be verified by declaration, or if any person or persons shall counterfeit, erase, alter, or falsify any certificate or other instrument in writing required or directed to be obtained, granted, or produced by this Act, or shall knowingly or wilfully make use of any certificate or other instrument counterfeited,

erased, altered, falsified, or shall wilfully grant such certificate or other instrument in writing, knowing it to be false, such person or persons shall for every such offence be liable on conviction upon information to a penalty not exceeding 10,000 rupees. And if any such offence be committed by the owner of any ship or vessel, the certificate or license of such ship or vessel shall thenceforth be wholly void.

XXIV. It is hereby enacted, that when any ship or vessel duly registered under this Act, or sailing under the British Navigation Law, shall come to be owned, by a Native Prince or State, or by any subject of such Native Prince or State, it shall be lawful for the Governor of Fort William in Bengal, or for the Governor in Council of any Presidency, to continue to such vessel the privilege of a British ship by a pass to be issued under the Company's Seal and subscribed by a Secretary to Government, stating the voyage or voyages for which the same is to have effect, and the period for which it is to last; and it shall be lawful for the Governor of Fort William in Bengal, or the Governor in Council of any Presidency, to issue a similar pass conferring the privileges of a British ship under this Act to any ship or vessel built within the dominions of such Native Prince or State, and owned by such Prince or State, or by any of their subjects, provided always, that the ships belonging to Native Princes or States, or their subjects, in respect of which passes may be granted under this Act shall, during the voyage or voyages, or the period for which any such pass shall be granted be commanded by a subject of Her Majesty for whom the Governor General in Council has power to legislate.

XXV. And it is hereby enacted, that the fees demandable in respect of the granting any certificate or pass under this Act shall be fixed from time to time according to the directions of the Governor General in Council, but so that the same shall not exceed the amount of fees now payable for registering or granting passes to ships or vessels in the different Presidencies.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Hambury and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 6d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage, but if transmitted by the way of Marseilles, they are charged 2d. each.

18. It is hereby further notified that under the 8th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of his Majesty the King of the French, or Persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale—at the five Sales in the months of January, February, April, May and June, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 800 Chests, and the Agents of the French Government shall make requisition for the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 12,700 Chests of Behar and Benares Opium as above estimated, will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the five Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authority may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

ARTICLE.

Article of the Convention. "With regard to the Trade in Opium it is agreed between the contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the Persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned—the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By Order of the Board of Customs, Salt and Opium,
W. BRACKEN, Offg. Secretary.

NOTICE is hereby given, that with the sanction of the Board of Customs, Salt and Opium, Tenders will be received at this Office on or before the 31st proximo, at 12 o'clock, for the purchase of Mds. 819 of Cuttack Pungah Salt of 1292, to be sold in quantities of not less than lots of 250 maunds each, in satisfaction of Golah rent due, should the owners not previously appear and pay up the rent now due on their goods.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouchered for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

WEDNESDAY, DECEMBER 30, 1840.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 28TH DECEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 28th December 1840, is hereby promulgated for general information.

Act No. XXV. of 1840.

For the better protection of the Abkaree Revenue within the Presidency of Fort William in Bengal

I. Whereas it has been found necessary, with a view to make better provision for the protection of the Abkaree Revenue than is afforded by the existing system of management, to place the superintendence of certain Districts in a separate Commissioner acting under the direction and control of the Board of Customs, Salt and Opium, and whereas it is required to make provision by law for the extension and improvement of this system of management within the Presidency of Fort William in Bengal;—

It is hereby enacted, that whenever a Commissioner or Commissioners shall be appointed by the Governor of Bengal, or by the Governor or Lieutenant Governor of the N. W. Provinces, with the sanction of the Government of India, for the superintendence of the Abkaree Revenue, such Commissioner or Commissioners shall exercise within such Districts as may be assigned and prescribed from time to time by the said Governor or Lieutenant Governor the powers, authority and jurisdiction vested by the Regulations and Acts of the Government in Commissioners of the Land Revenue in all matters appertaining to the Abkaree Revenue.

II. And it is hereby enacted, that within the Districts so assigned to such Commissioner or Commissioners, the Governor of Bengal or Governor or Lieutenant Governor of the N. W. Provinces may appoint any duly qualified persons not being of the description specially provided for in Section XXXI. Regulation X. 1813, to be Superintendents of the Abkaree Revenue, and to vest them with the charge and management of the Abkaree Revenue under the orders of the said Commissioner within such local limits as to him may seem fit, and the persons so appointed shall exercise all the powers of Collectors in regard to this Revenue, excepting the adjudication of cases of contravention of the Laws relating to Abkaree.

III. And it is hereby enacted, that it shall be competent for the Governor of Bengal to vest any person appointed under the foregoing Clause to the charge and superintendence of the Abkaree Revenue with the power of adjudicating cases of contravention of the Abkaree Laws, in addition to the powers attaching to the office of Superintendent of Abkaree Revenue in the District or Districts assigned to him—provided that no such Superintendent when so vested with the powers of adjudication shall sentence any person to a fine exceeding 200 Rupees, whether commutable or otherwise, or to imprisonment for a term exceeding 3 months, except for a second offence under Section XVII. of this Act.

IV. And it is hereby enacted, that the warrant of any Officer authorized, or specially appointed, to adjudicate cases of contravention of the Abkaree Laws certifying the conviction of any individual, with a specification of the offence proved and penalty adjudged, shall be authority for the levying of any fine imposed, as therein specified, and for the detention of the person therein described in the Civil Jail of the District as may be therein prescribed;—provided always that it shall be competent to the Commissioner, upon appeal by the parties concerned, or of his own motion, to call for the papers and revise the proceedings in any case decided by such Superintendent, and to alter or reverse the judgment passed thereon, and a like power shall be possessed and exercised by the Board of Customs, Salt and Opium, or by any other Board possessing like authority whenever they think proper.

V. And it is hereby enacted, that any Officer employed in the Abkaree Department above the rank of ~~Inspector of Police~~, who shall receive information that any person without a license is engaged in the manufacture of fermented or spirituous liquors, or in the preparation of intoxicating drugs, or has on his premises fermented or spirituous liquors or intoxicating drugs in such quantity as may render such person liable to the suspicion of secretly and illicitly trafficking in such articles, shall and is hereby authorized and required to take the deposition of the informer in writing, and if the information so given shall appear credible, so as to justify such proceeding, it shall further be competent to such Officer to enter and search such premises as may be declared by the informer to contain the illicit articles specified in his deposition, and to seize all illicit stills, and materials of the kind used in manufacturing liquors and preparing drugs as well as all fermented or spirituous liquors, or intoxicating drugs, and to arrest the owner or occupant of the premises, together with all parties concerned in the transaction who may be found on the premises.

VI. And it is hereby enacted, that except in cases already provided for by Section XVII. Regulation VII. of 1821, if any person or persons shall by threats or violence prevent the lawful arrest of any person by an Officer duly authorized to seize illicit stills, fermented or spirituous liquors, or intoxicating drugs and materials for the manufacture of the same, or shall procure by unlawful means his release after arrest, or shall obstruct any Officer duly authorized in making search for or seizure of any of the above mentioned illicit articles, or shall remove such articles after seizure, or if the party found with any such illicit articles in possession, or any other person or persons shall resist such Officer in the execution of a legal process, such person or persons shall severally and respectively be liable on conviction before a Magistrate, to be sentenced for the same to pay a fine not exceeding 500 Rupees, commutable; if not paid, to imprisonment for a term not exceeding six months, provided that such person or persons shall be further liable, in the event of an affray or breach of the peace occurring, in consequence of his or their resistance, on conviction of the same before a competent tribunal to such punishment as is prescribed in the general rules

applicable to cases of affray and breach of the peace in addition to the penalties above prescribed for the resistance of process.

VII. And it is hereby enacted, in modification of Clause 6, Section XXII, Regulation X. of 1813 of the Bengal Code, that if any person shall wilfully and maliciously give false information in respect to there being an illicit still or illicit stills, or fermented or spirituous liquors, or intoxicating drugs or materials prepared for the manufacture of spirituous liquors and drugs in any premises, and so procure that such premises shall be searched to the injury and vexation of the owners thereof, or of any other person or persons whatsoever, such false informer shall, besides being subject to any other penalties or damages to which he would be subject under the general law, be liable to imprisonment with or without labor for a term not exceeding two years, and to fine not exceeding 500 Rupees, commutable to a further term of imprisonment for six months if not paid.

VIII. And it is hereby enacted, that whenever any Officer of the Abkaree Department duly authorized under Section V. of this Act shall arrest any person charged with an infraction of the Laws for the protection of the Abkaree Revenue, or shall seize any still, or fermented or spirituous liquors or intoxicating drugs, or enter any premises for the purpose of searching for such illicit articles, he shall make a full report of all the particulars of such arrest or seizure or search to his official superior, within twenty-four hours after the transaction has occurred.

IX. And it is hereby enacted, that whenever any person may be arrested by an Officer employed in the Abkaree Department or by any other Officer of other Departments duly empowered to make seizure of illicit stills or spirituous liquors, or intoxicating drugs, or materials prepared for the purpose of manufacturing spirituous liquors or intoxicating drugs, the person making the arrest shall be bound to carry the party arrested with him convenient despatch to the Officer of the Department who may be competent to try the case, and no person so arrested shall be released until the case shall have been brought to judgment in the manner provided by Law.

X. And it is hereby enacted, that any Officer who shall neglect to report all the particulars of an arrest, seizure, or search within 24 hours after the transaction has occurred, or who shall delay carrying the person arrested to the proper Officer with all convenient despatch, or who shall release or connive at the escape of the person arrested shall be liable, on conviction, to dismissal from his situation, and to pay a fine not exceeding 200 Rupees, and to imprisonment for a term not exceeding three months, and in case of non-payment of the fine, to further imprisonment not exceeding three months, and the sentence shall be adjudged by any Officer competent to adjudicate cases of contravention of the Abkaree Laws.

XI. And it is hereby enacted, that it shall be lawful for any Officer employed in the Abkaree Department to enter and inspect at any time, by day or by night, the shop or premises in which any licensed Abkar shall carry on the sale or manufacture of fermented or spirituous liquors, or intoxicating drugs or liquors, in order to satisfy himself that nothing is going on in contravention of the Abkaree Laws, or of the conditions of the license.

XII. And it is hereby enacted, that if any Officer of the Abkaree Department be convicted before the Magistrate of any District, of having vexatiously and unnecessarily seized the goods of any person on the pretence of seizing or searching for illicit stills, spirituous liquors, intoxicating drugs, or the materials for manufacturing the same, or of having vexatiously and unnecessarily arrested any person, or of committing any other excess not required for the execution of his duty, every such Officer shall, besides dismissal, be punished with imprisonment not exceeding six months, and with fine not exceeding 200 Rupees, commutable, if not paid to a further imprisonment not exceeding six months.

XIII. And it is hereby enacted, that whenever in this Act or in any other law the terms "Officers employed in the Abkaree Department," are used they shall be defined and construed to apply to such Officers as receive salary from and are appointed by the persons in charge of the Abkaree Department in the District, or such Officers as the Commissioner of the Abkaree Revenue may by special delegation or appointment empower to act in relation to this branch of the Revenue.

XIV. And it is hereby enacted, that every person holding a license for the manufacture or sale of fermented or spirituous liquors or intoxicating drugs, shall preserve such license at the shop or premises specified in the body of the license, and shall exhibit the license on the demand of any Abkaree Officer, who shall desire to inspect the same, and any such licensed manufacturer or vender who shall refuse, or be unable to produce his license on the demand of any Abkaree Officer, shall be liable on conviction before a Magistrate to a fine not exceeding 200 Rupees, or to imprisonment for a term not exceeding three months, and in case of non-payment of the fine to further imprisonment not exceeding a like term.

XV. And it is hereby enacted, that one moiety of the fines realized from persons convicted of the illicit possession or manufacture or sale of fermented or spirituous liquors or intoxicating drugs, excepting Opium, and of the proceeds from sale of articles confiscated, shall upon adjudication of the case be awarded to the Officer or Officers who may have apprehended the offender or seized the illicit articles, and the other half shall be given to the informer as provided in Clause 8, Section XXII, Regulation X. of 1813, and if no fine be realized, the Commissioner may recommend through the Board of Customs, Salt and Opium such reasonable reward, not exceeding the sum of 200 Rupees in each case as may appear to him fit, provided however, that it shall be competent to the Board of Customs, Salt and Opium to prescribe by General Order what classes of Officers of the Department shall receive reward and what classes shall have no title to participate therein.

XVI. And it is hereby enacted, that any Officer employed in the Abkaree Department, who shall be convicted of conniving at the manufacture or sale of fermented or spirituous liquors without license, or by any licensed manufacturer or vender contrary to the terms of such license, shall be liable to the same penalties that would be incurred by the offender whose act is contravention of the law he so connived.

XVII. And if any such offence be committed by the owner of any ship or vessel, the certificate or license of such ship or vessel shall thenceforth be wholly void.
